Windows 10 Orientation

• • •

Summer 2018

What's New?

- Upgraded from Windows 7 to Windows 10 computer image and memory upgrade.

- Upgraded from Microsoft Office 2010 to 2016.

Other Items to note

·   Microsoft Picture Manager is no longer available for free so images can be viewed or edited with Photo Gallery, GNU Image Manipulation Program (GIMP) or Paint. You can change the default to any of these applications you prefer by right clicking on an image, selecting "Open with", then "Choose another app" and check the "Always use..." box and click OK.

·   The Windows Calculator app is not currently available (following an update), we are working to find a way to package it and push it back out to all devices.

The new Start Menu

The Start ⊞ button
In the lower-left corner, it puts what you need at your fingertips.

Browse every app

Find files

Personalize settings
Make the defaults even better. Monitors, networks, printers, and more.
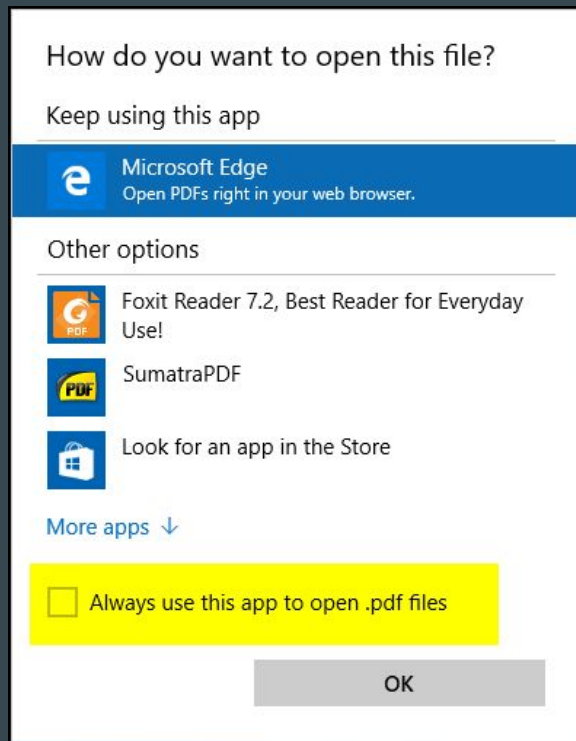

Turn the PC off

Use an app all the time? Pin it
Press and hold (or right-click) an app, then select **Pin to Start**.

Group apps
Drag apps into groups, press and hold (or right-click) to resize, and select the title space to give the group a new or better name.

Change Default Program "open with"
Change Second Display
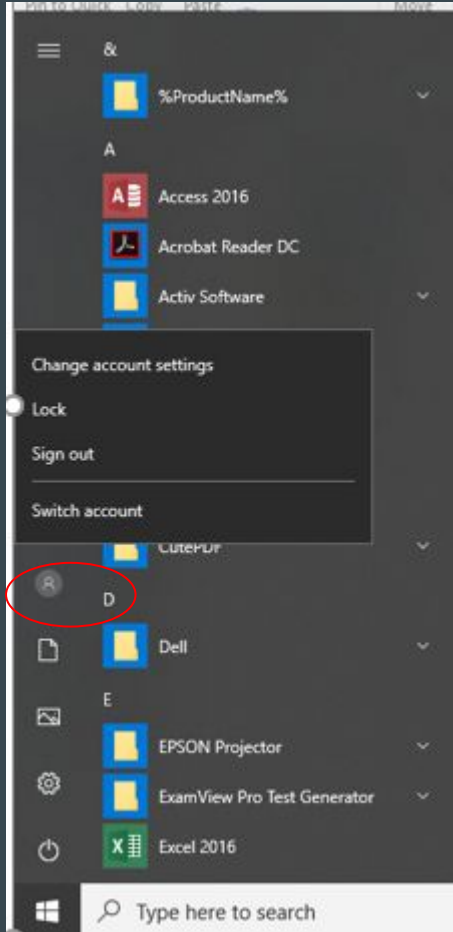

Action Center

VPN

File Explorer

Sign Out/Lock or Restart/Shutdown
