1. Last night the Gurrie Underwater Robotics club had their intramural tournament. Congratulations to Evan Meraz, Angel Lopez, and David Anderson, with their ROV "Obamacare" on winning the tournament.

Their tough competition consisted of the following ROV teams:

"Team Salty Saucers" (Jack Michaelson, Vito Falco, Miles Bryck)
"Team Underwater Dwellers" (Louie Long and Evan Nunez Garcia)
"Team Shattered Marshmallows" (Beckett Michael, Emilee Tydus, Mireya Brkic, and Caroline Mshar)
"Team Lasagna" (Veda Rodriguez, Connor McNeer, Abigail Schulz)

Great job this year to all the Robotics Club members, we are so proud of all of your hard work!!!

2. Gurrie softball fought hard but lost 13- 2 against Willow Springs. Defensively, Isabella made an awesome catch behind the plate, Kate with a line catch at shortstop, Gen had fantastic catches at 3rd, and Maggie was stellar on the mound. Jayde and Danika made several excellent defensive plays at first and second. Offensively: Lizzy, Victoria, and Yuritzi all had nice hits! Great job! Next game is Friday at home against Park.
