HOT LUNCH:           Shepards Pie

BIRTHDAYS:           Isabella Soto

1. Got some extra change in your pocket? Why not use it to support Team Impact in Gurrie's penny wars. 7th and 8th grades will battle it out the week of Monday March 20-Friday the 24th. Winning grade will receive popsicles in advisory. Rules will be explained during advisory on Wednesday.  
Team Impact matches kids facing challenges (as the result of a medical illness or disability) with a college sports team. The kid is drafted as a member of the team for a two-year period during which time the kid develops stronger emotional and social connections and a sense of belonging.  
Help support Team Impact and the work they do and have some fun doing it. Start rounding up that spare change!
2. Anyone interested in playing soccer this Spring should attend a short, informational meeting on Thursday, March 23 after school in the cafeteria. Any questions please email Coach Wilkinson.
3. Remember that next week we start our PBIS incentive that has two phases where you can receive tiger stripes and participate in an activity celebration. During phase one you will receive 10 tiger stripes if you are referral free from Monday to Wednesday. Then during phase two you will be able to participate in activities like basketball, cage ball and game rooms at the end of the day on Friday. You must be referral free on Thursday and Friday or you will be in re-training for the first rotation of the PBIS celebration. If you have any questions about this, please ask one of your advisors.
