

GURRIE MIDDLE SCHOOL STUDENT BULLETIN

Thursday, March 23, 2023

HOT LUNCH: Cheese Pizza

BIRTHDAYS: Jenah Flores
Teodor Milanov
Erasmus Zapata

1. Anyone interested in playing soccer this Spring should attend a short, informational meeting **today** after school. **Location has changed from the cafeteria to the Gurrie small gym.** Any questions please email Coach Wilkinson.
2. Attention athletes! The spring season is right around the corner. Soccer, girls' softball, and boys volleyball will start up quickly after spring break. If you plan to tryout for girls' softball or boys' volleyball, OR if you plan to play soccer, please sign up on the Gurrie Athletics Google Classroom page. There is a sign up google form for all 3 sports. These forms will help us to see how many students we have interested in our spring teams. Please sign up before we get back to school on Monday, April 3rd!
Also, most importantly, please remember that anyone participating in any of the spring sports must have a valid athletic physical before trying out or practicing on the first day. Please see Mrs. Ray with any questions.
3. Boys' volleyball tryouts are on Monday, April 3 and Thursday, April 6 from 3:30-5:30. Make sure to turn in your sports physical before April 3. If you have any questions, ask Mrs. Ray or Ms. Milligan.
4. The penny war is heating up!!

After yesterday, 7th grade has made \$73.65 and has 6,952 points. 8th has made \$82.77 and has 7,273 points. 7th grade is within \$9.12 cents of taking the lead. Bring that change/silver/bills to lunch today and keep this going. Total raised so far is \$156.20.

Will 7th grade overtake the 8th grade today? How will it finish by tomorrow?? Remember, all this goes to help support Team Impact!

5. Phase I of our PBIS incentive is over and you did a great job, you will be receiving two green tiger stripes during 6th period. This is in recognitions of the great things you do by being safe, being ready and being respectful.
6. Do you want to participate in our PBIS celebration activity this Friday? All you must do is stay referral free by being ready, safe, and respectful on Thursday and Friday and you will be able to participate on Friday afternoon, where you can play basketball, volleyball, board games and plenty of other activities. Only those that receive a referral on Thursday or Friday will have to attend re-training for the first rotation of the PBIS celebration. If you have any questions about this, please ask one of your advisors.
7. Underwater robotics club will NOT be meeting today. Our next meeting will be a pool day after spring break. Check out the google classroom for updates!

8. There will be a Green Team and EMM meeting in Mrs. Kulaga's room on Monday, April 3 for 7th and 8th grade and on Thursday, April 6 for 8th grade only.

We will discuss the upcoming field trip to the Tampier Lake fish hatchery, and courtyard workdays.
