1. Attention athletes! The spring season is right around the corner. Soccer, girls' softball, and boys volleyball will start up quickly after spring break. If you plan to tryout for girls' softball or boys' volleyball, OR if you plan to play soccer, please sign up on the Gurrie Athletics Google Classroom page. There is a sign up google form for all 3 sports. These forms will help us to see how many students we have interested in our spring teams. Please sign up before we get back to school on Monday, April 3rd! Also, most importantly, please remember that anyone participating in any of the spring sports must have a valid athletic physical before trying out or practicing on the first day. Please see Mrs. Ray with any questions.
2. Boys' volleyball tryouts are on Monday, April 3 and Thursday, April 6 from 3:30-5:30. Make sure to turn in your sports physical before April 3. If you have any questions, ask Mrs. Ray or Ms. Milligan.
3. **7th Grade** RPG Club will meet **TODAY** until 4pm in **Room 112**. See Mr. Walsen or Mr. La Bud with any questions.
4. Today you will be able to participate in our PBIS celebration in recognition of all the good choices you make by being ready safe and respectful. Today you can play basketball, volleyball, board games and plenty of other activities. Only those that receive a referral on Thursday or Friday will have to attend re-training for the first rotation of the PBIS celebration. If you have any questions about this, please ask one of your advisors.
5. It was a big day for 7th grade yesterday in the penny war. 7th grade added \$64.56 to their total which now is at \$138.21. 8th grade added \$35.56 to its total which is now at 118.33. Total raised now sits at \$256.54.

Can 8th grade come back and take the lead on the final day? Remember all proceeds go to support Team Impact!
