1. Attention Athletes!

The spring sports season is very quickly approaching. Please head to the Gurrie Athletics Google Classroom Page to sign up for our spring sports teams. Boys Volleyball, Girls Softball, and Co-Ed Soccer will be starting up around spring break and we'd like to have a good idea of how many interested participants we will have for each sport. Please complete the sign up form for whatever sport you are interested in playing by Wednesday, March 9th. There will be plenty more information to follow regarding each sport, but for now, please complete the form. Please see Mrs. Ray with any questions.

2. Yearbook will meet today after school in Dr. McGovern's room. We will be taking our club photo, so if you have worked on yearbook this year, be sure to come by. Then stay for adding photos to the yearbook. Any questions, see Dr. McGovern.
