1. The girls Basketball teams hosted McClure last night to kick off their seasons. The 7th grade girls played a great offensive game, with Abi Scouffas leading the scoring with 12 points! Elena Bailey, Jane Erickson, and Maddie Shishman also contributed to the overall scoring with a bucket each. The final score with 18 - 2. Great 1st game.

While the 8th grade team came out strong to start their season, they lost the lead in the final seconds of the game. Nora Grill hit a 3 in the first half, Avery Lee brought her defensive game with many steals, great rebounds, and some baskets, and Sarah Kapsa helped to move the ball on offense, hit some shots and played tough defensive.

Tonight, Gurrie girls will travel to Willow Springs to play their 1st away game. Go Get em Tigers!
