4. Congratulations to the boys for showing out in the Midseason Showdown yesterday at Cermak Woods. Even though there was a weird start and a weirder course, the boys ran hard and fast. Ethan Peto led the charge with an impressive 10th place overall finish. Alex Meller was close behind in 13th with a pack of John Adelfia, Juan Contreras, Harrison Kitteridge, Ignacio Rodriguez and Nathan Woods finishing 17th-21st. It was a truly impressive team race that landed Gurrie in the top 3 of the six-team race.

Best of luck to our girls as they race in the Midseason Showdown today. Boys will be practicing today. Keep on keepin' on, runners!
