4. Congratulations to our boys and girls cross country team for beating McClure, Highlands, and Pleasantdale yesterday. Abbey O'Toole started the day with a ridiculous 1st place finish in 12:15. It was the fastest girls time in years (maybe ever) for a Gurrie girl. The rest of the pack was led by Vivian Comes in 5th, Hannah Boeckmann in 6th, Cate Riberto in 9th, and Charlotte Cannizzarro in 10th, Eleanor Meuer in 11th, and Haley Pozulp in 12th. It was another true team win on a tough course.

The boys pulled off an unprecedented win by finishing with a “super sweep” with Gurrie runners finishing 1st through 7th. Ian Collins and Brennan Monohan finished neck and neck in 11 minutes flat. Nolan Callahan was on their heels with his best race ever in 11:08. Cruz Villarreal, Christian Torres, Luke Borling and Declan Driscoll all finished under 11:30. Both teams are tuned up and ready to rock at Lewis University tomorrow at the Wildcat Invite. Huzzah!
