1. In-person students-don't forget that you need to complete the MyMedBot each day now that we are out of the hybrid model.
2. 8th grade students-just a reminder that this Friday you will have your graduation pictures taken - one taken with your gown and one without. In-person students will have their photos taken during PE and remote students have a scheduled time after school.
3. Congratulations to our Girls volleyball teams as they defeated Park on Friday for their first win of the season. The Girls volleyball team plays Highlands here at GMS!
4. Boys softball team opened their season against McClure. They played tough and battled throughout the game but came up a little short. They look to rebound today as they face the Hornets at Highlands. Go Tigers!
