Information on how you can do that are in the document you have received. You can also find this information on our website and it has also has gone home in the weekly email to families. 5. 7<sup>th</sup> and 8<sup>th</sup> Grade Softball traveled to Pleasantdale for their second game of the season. Although both teams lost, there was some excellent pitching on both teams by Grace Sneed and Hailey Brudd. Key at bats by Sofia Cabrera and Xenya Bizzaro helped the Tigers score 3 runs. Be sure to come out and support both teams next Friday at our home opener against Highlands. Go Tigers!
6. Softball practice will meet in the small gym and go until 5:00pm today. Meet in the small gym but prepare to go outside if the weather is nice.

7. Yesterday volleyball traveled to Pleasantdale for their 2nd game of the season. 7th grade played first and set the tone for the day. Peter Sanchez opened the game up with 6 straight points serving. 7th grade never looked back from there. Patrick Wenstrup made some nice plays at the net along with Nick Polinowski. The back row continued to show their dominance too with stellar passing from Connor Spellman and Andrew Follenweider. 7th grade cruised to win in 2 sets.

8th grade played next and followed suit with another solid performance. Aggressive serving from Billy Bach and Christian Kooks helped the tigers pull ahead early. Nano Esquivel's commanding communication, Vicious attacks from Thomas Kawczynski and the presence of Joel Nunez at the net secured the team's second straight win.

The tigers will host Highlands next Friday for their home opener. Hope to see you there!
