1. Tomorrow we will start in advisory at 8:15 and then meet in periods 5-8. After lunch you will work on materials from class periods 1-4 asynchronously.

2. 8th grade graduation pictures are this Friday. Remember you will have a picture with the graduation gown and then also one without. The picture without is typically from the waist up. In-person students will be taking pictures during PE classes and remote will follow the schedule they were assigned.

3. Girls volleyball to Highlands yesterday. 7th grade won their series and our 8th grade played tough but lost their series. Boys softball also played Highlands. They played hard but ended up losing the game.

Today our girls volleyball team will play Park Blue here at home and our boys softball team will play Pleasantdale here at GMS. Go get 'em Tigers!
