You will receive (or already have received) information from your adviser about an opportunity to recognize a staff member who has made a positive difference in your life during your time in District 105. We'd like for you to think about a teacher, coach, club sponsor, director, or other staff member who has had a positive impact and recognize that person. Information on how you can do that are in the document you have received. You can also find this information on our website and it has also has gone home in the weekly email to families. Please submit your entry no later than Friday, April 27th. Talk to your adviser or Mr. Hood if you have questions.
