BIRTHDAYS:        Ayden Martinez

1. Great job last night to our girls' volleyball teams. They opened their season up against McClure and both levels supported each other, played hard and played together! Strong start to the season. They play Park tonight. 7th grade at 4:15 and 8th grade will start at approximately 5. Our boys' softball teams kick off their season tonight at home versus McClure. Go get 'em, Tigers!
