1. The wrestling team competed in a tough regional tournament where two wrestlers are advancing to the sectional tournament at Jefferson Junior High this Saturday. Luka Tomich has qualified at the 145 pound weight class and will have this week to prepare as we inch closer to the state tournament. We credit all of the wrestlers who participated on the team this year and congratulations on finishing the season. Please turn in all of the equipment by the end of the week to Coach Varela or Coach Brewer and we will see you at the pizza party at the conclusion of the season.
2. On Saturday the area Math Olympiad was held at McClure where our 7th and 8th grade teams had a great showing! Way to go Math Team!
3. Reminder to all Fusion students. We will meet tomorrow, be sure to bring your permission slip for the field trip next week
4. Underwater robotics STEM club will meet after school today. We will meet as long as each group needs to make final changes to be prepared for the pool again on Thursday. Please have your ride arranged to pick you up after the meeting. See Mrs. Halper if you have any questions.
5. Culinary Club Executive Board will be meeting Wednesday morning at 7:45am in room 108. Bring your March culinary club ideas with you!
