The team as a whole is starting to make tremendous strides as we are reaching the end of the competitive season. With regionals at the end of the month, the team will be tested this Saturday as they compete against Hickory Creek, Jefferson, and Lukancic Junior High. Everyone is working towards one goal and it is to be wrestling at the best to their abilities in the month of February; Coach Varela and Coach Brewer are extremely proud of the team's growth and excited to see what the team is made of these next few weeks.
