

GURRIE MIDDLE SCHOOL STUDENT BULLETIN  
Wednesday, May 22, 2019

HOT LUNCH:           Crispy Chicken Patty  
                              Pizza Dippers

BIRTHDAYS:           No birthdays today

1. A lot of reading is happening around here. We have 23 Million word readers with several students very close to reaching that goal. Be sure to enter your reading in to STUDENTREADING.net as you finish your books. The top 50 readers, based on the number of words read will be announced and rewarded at the end of year awards assemblies. Happy Reading!
2. Calling all seventh grade advisories! We will be collecting items to help a group called Care for Real who provide clothing and personal care items for local refugees and other local people in need.

There is a box in your advisory where you can place items that are on the handouts that were passed out last Friday. The collection will end Friday May 24th and the advisory with the MOST collected items will win a popsicle party! Please donate as much as you can to help Chicago Refugees. See Rayna, Caitlin, or Sarah if you have any questions - or see your 7<sup>th</sup> grade advisor for an extra list of items to donate!

3. All Gurrie blue soccer players must wash their uniforms and return them to Coach Halper or Coach Motto by the end of the week. All Gurrie gold soccer players return your washed uniform to Coach Fulgencio or Coach Zalewska.
4. The yearbooks are in and will be distributed Friday afternoon! Your advisor has the final list of who we have listed as pre-ordering a yearbook. This list has been checked and double-checked, so if you are not on the list, you will not receive a yearbook when your advisory distributes them.

There is another option, however! At 2:10 on Friday, there will be a lottery for remaining yearbooks, in Mrs. McGovern's room, Room 112. To be part of this lottery, you must have \$20 in cash or as a \$20 check payable to Gurrie Middle School in your hands when the lottery starts. This is not first-come first-served, and your advisors will send you down at the appropriate time. If you have any questions, please see Mrs. McGovern today or tomorrow.

5. With the school year winding down, it's crucial that the Green Team get the garden ready for growing. That being said, tomorrow is one of the last meetings of the year to

get plants in the ground and weeds removed. We can use your help and remember: all humans are welcome at Green Team meetings...no experience necessary. Join us tomorrow after school to get our pumpkins, tomatoes, and jalapenos in the ground. See Mr. Eigel, Ms. Kowynia, or Mr. Driscoll with questions.
