1. There is an EMM Meeting today after school in Mrs. Kulaga's room. Info and Permission slips for Operation Care Package and Party With a Purpose will be discussed and given out. If you can't make today's meeting, then there will be another meeting Tuesday during the 8th Grade Lunch (in Mrs. Kulaga's room) and 7th Grade Lunch in Ms. Quinn's room.
2. Gooooalll! Did you miss the information meeting for soccer but still interested in joining? Stop by coach Halper's room for the information packet that has all waivers needed to participate. Remember to everyone that all waivers need to be on file before our first practice after spring break. See the coaches if you have any questions.
3. Congratulations to a great season for Calum Rogers, Claudio Rodriguez, and Victor Herejon. The state tournament was a great experience and their names will be forever placed on the banners as wrestling state qualifiers. Gurrie wrestlers must turn in all bags and gear at the pizza party that is still to be determined. Great job wrestlers and congrats on the amazing season.
4. Reminder to all underwater robotics stem club members - closed pools can't stop us! we will head to the pool Today for our last practice in the pool before the competition tomorrow. See Mrs. Halper if you cannot attend.
