**1. PTO Bags Tournament**

The annual PTO Bags tournament is scheduled for Friday, March 16<sup>th</sup> after school in the gym. Teams will consist of two people per team. If you do not have a partner, the PTO will pair you up with another solo player the day of the event. The cost is \$10 for each person. Games will be played to 21 points. Depending on how many teams enter the tournament, we will have a loser's bracket and avoid a single-elimination tournament. Please indicate the name of your partner on your permission slip. Every student must have their own permission slip. Permission and information slips were passed out on Wednesday in advisory. You can also access these on the GMS website.

Prizes: 1st Place: \$50; 2nd Place: \$25; 3rd Place: \$10

**How to Sign-Up?**

You can turn in your permission slip with the appropriate fee in exchange for your ticket during your lunch period on Monday, March 12th, Tuesday March 13th and Wednesday, March 14th. All forms must be received by Wednesday, March 14th. Absolutely no late entries will be accepted.

2. Green Team Energy Carnival needs your help! If you are interested in running a station, making posters or decorations, see Mr. Eigel and Mrs. Kowynia for more information.
3. District 105 is hosting a career fair for all fifth through eighth grade students and their parents this Thursday, March 15 from 6:30 – 8pm here at Gurrrie (located in both of our gyms). There will be more than 40 community members that represent a variety of careers in a "trade show" format. You'll be able to learn about a wide range of job and career options and the coursework and interests needed to pursue those. Look forward to seeing you there!

4. March is upon us! Gurrie students and staff are invited to participate in "College Madness" this Thursday and Friday. Please wear your favorite college gear to support your team this March. Whether you have filled out one bracket, five brackets, or none at all, everyone is welcome to join in the "College Madness" by wearing your college team's apparel Thursday and Friday.
5. Reminder to all underwater robotics STEM CLUB members. Today is our intramural competition where we will determine which team has the strongest ROV for this year's tasks. You will have time after school today until 4 to make any last minute changes before we meet at LT north pool for the competition. You must be at the pool at 5pm at north campus. All friends and family are welcome to cheer you on at the competition. See Mrs. Halper if you have any questions.
6. Calling all chefs! 7<sup>th</sup> Grade Culinary Club will be meeting today in room 108 until 4:00 pm. Please see Ms. Vogg if you have any questions.
