HOT LUNCH: Turkey Tacos Or
Hamburger

BIRTHDAYS: No birthdays today

1. Tomorrow we will begin in advisory and then move through periods 5-8. After lunch you will work on materials from classes 1-4 asynchronously.
2. The PBIS raffle winners will be announced on Wednesday.
3. The boys volleyball team played McClure at home yesterday and both blue and gold won, each in two sets. Roman S gave the blue team 28 serving points. Lukas P with his consecutive serves and sets from Michel R gave the team lots of kills. The gold team wrapped up in two. After long rally's with the Bulldogs Tyler K really stepped in and blocked their hits, Dominic P with 14 points on serves really helped the team to victory. Tonight the Gurrie Tigers head to Park to take on the Patriots.
4. Despite a great game by Johnny R, our soccer team lost their match 3-4. They fought hard but came up a little short. Tonight they travel to Walker Park to take on Pleasantdale.
5. Our girls softball team lost to McClure. Great pitching and fielding by Melina Lopez. Triples by Siena Garcia-Rizzo and London Muscolino. Tigers take on Park today. Girls XC ran against McClure yesterday and had another great showing.
6. Dr. McGovern's 5th and 6th period English class is making an ebook about hope. For their last chapter, they want to include various peoples ideas of what hope is. Please take the short survey below to help them out. Thanks!
7. Attention remote 8th grade students: There was an important email sent to your families yesterday afternoon. Please be sure your parent received it as it is about the upcoming graduation ceremony and practice. They need to respond to a question regarding the day of graduation.
