1. Gurrie Students,

Do you know that small children begin learning to read before they enter school? And do you know that small children who have great books to read at home with their families tend to be more successful in school and that helps them be more successful in life?

7th Graders...Do you want to be part a project that helps get some great books in the homes of small children living in our community? Consider joining ***the Little Libraries Project.***

On Thursday, during advisory, 7th graders received a flyer with information about this project. An informational meeting to learn more about how you can make a difference and become part of this effort will be held this week.

There is still one opportunity to get more information and that is on Wednesday, May 2nd. These informational meetings will take place during 7th grade lunch in the LLC. Check in with the lunch supervisor and let them know you'll be attending.
See Mr. Hood if you have any questions.

2. Attention: The Gurrie PTO will be having a fun lunch this Friday selling ice cream sandwiches for \$1.50 and soda for \$1.00.
3. Yesterday volleyball took on the Willow Springs on the road. 7th grade played and cruised to a victory in two sets. In the first set, Emmett Driscoll stepped up and knocked over seven straight serves. Liam Carolan and Dylan Colbert made some big plays down the stretch, too. In the 2nd set, Peter Sanchez and Jake Warkienten helped keep the momentum going as the Tigers proved the 1st set was not a fluke.

Tigers resume gameplay Friday at home against Pleasantdale. Go Tigers!

4. Gurrie Blue soccer takes another victory in their game against Park Red yesterday in their second overtime shoot out of the season. Blue played a strong game against Park yesterday with Jimmy Ramirez, Luis Lopez, and Peter Carolan holding a strong defense against Park. However Gurrie started down by 1 into the second half. However with Park not realizing the ball was still in play Diego Lopez swooped in and played to the whistle tying up the game 1-1 before final time. With Ivan Villalobos as keeper he stopped not 1 but 3 penalty shots on goal to allow Lily Henning, Antonio Ruiz, and none other than

himself Ivan Villalobos to make their shots and bring home the win for Gurrie in the end. Gurrie plays Park Blue on Thursday. Go Blue!

5. Gurrie Gold had a fantastic game yesterday against Park. Our defense dominated with great saves made by Hussein Bato with help from Kayla Tlaseca, Moses Kimble, Gaby Quintana, Gaby Pantaleon, and Bella Adkins. Great offensive plays were made by Julio Fulencio, Armando Cazares, Samantha Basquez, and David McKay. Our goals were made by Michael Springer and Marco Toledo leading us to victory! Way to go Gold!
