BIRTHDAYS:        No Birthdays Today

1. Do you have a pesky library fine waiting to be paid?  
We have a solution for you. Starting May 7<sup>th</sup>, we are accepting non-perishable food donations for our "Food for Fines" drive. Each item donated equals a dollar worth of fines. Owe three dollars, bring in three items and you are all set! Donations cannot be used for lost or damaged library materials, and must be marked with a current expiration date. All donations will be delivered to St. Cletus after June 1st. If you don't have fines and just want to donate that is great. Please bring your items to the library.  
If you have any questions see Ms. Sutsser or Mrs. Chase.
2. Attention Gurrie Soccer players: All uniforms need to be washed and returned as soon as possible. Blue team return your uniforms to Coach Motto and Gold team return your uniforms to Coach Gjoni.
3. Today we will have PBIS raffles in the cafeteria. There will be multiple items available, remember to bring your tiger stripes and make sure you print your first and last name on the tiger stripes so we are able to read you name clearly when you win a price. All winners will be announced on Friday.
4. Yearbook signing will take place this Friday near the end of the day, and all students who pre-ordered a yearbook will receive their books at that time. We will have an extremely limited number of yearbooks for sale that day -- about 15. Students who have the \$20 cost of a yearbook in hand on Friday, May 25, will be able to report to Room 112 at 2 pm to participate in a lottery to buy a yearbook. It is not first-come, first-served, and at 2:05 we will have the lottery for all those present. If you have any questions, see Mrs. McGovern.
5. Reminder, 7<sup>th</sup> graders attending the afternoon water treatment field trip will need to eat lunch during the 8<sup>th</sup> grade lunch period. Get your food and report to Mr. Eigel's room for lunch. We will leave at the end of lunch for the afternoon tour. 7<sup>th</sup> graders attending the morning field trip to the water treatment facility should head to the cafeteria to meet Mr. Sullivan and Mr. Eigel at this time.
6. 7<sup>th</sup> grade Culinary Club will be meeting this Friday at 4:00 p.m. in room 108. Bring your appetite and positive energy. See Ms. Vogg if you have any questions.
