1. Attention 8th graders! Your parent / guardian should have received your proofs for Graduation photos via email this weekend. If they did not receive the proofs please see Ms. Fulgencio in the main office.
2. This week is national educators week. We want to celebrate all the great things everyone here at Gurrie does for our students, families, and community. Take a moment or two this week to write a note, send an email, send a card, or personally thank those here at Gurrie who work so hard every day for all of you.
3. Good luck to our soccer team as they kick off the season today versus Highlands at Gordon Park. Let's hope the rain holds off. Tomorrow our boys' volleyball and girls' softball teams begin their seasons versus Pleasantdale. Go Tigers!
4. You will be taking the math sections of the IAR Tuesday and Wednesday this week. You'll start in first period like last week. Se sure your Chromebook is fully charged.
