1. The Gurrie Activity Council will be meeting after school today to set up for the Project Linus event. If you want to be a blanketearer for Tuesday's Project Linus event, and if you want some extra service hours, you MUST attend the meeting after school on Monday, or see Mr. Ingwersen or Mr. Sullivan. Even if you haven't been at a GAC meeting before, all are welcome to attend! So join the GAC Attack after school on Monday in Mr. Sullivan's room.
2. Attention all underwater robotics STEM club members. We will meet today after school in room 113 until 5pm. Please have a ride arranged at this time. See Mrs. Halper if you have any questions.
3. Early Act Club and the Rotary Club of Lagrange want to thank Gurrie Middle School for their generosity giving change to provide polio vaccinations for children. From the change war, Gurrie Middle School is donating \$243.39 to the Rotary Foundation to eradicate polio.

Now for the final results- on Friday 8th grade donated \$11.71 in silver and bills but received two thousand four hundred and sixty-eight pennies. This brings them to a final adjusted total of negative six dollars and ninety cents. 7th grade gave seventy-four dollars and twenty-two cents in silver and bills bringing them to a final adjusted total of one hundred ninety- seven dollars and thirty-nine cents. 7th grade wins a party. Thank you all for your generosity. Details on the party will be coming soon!
