HOT LUNCH: RIB-B-QUE
Crispy Chicken Patty

BIRTHDAYS: No birthdays

1. Choir Club is starting this November! Mr. Kirby, our new choir teacher, will be holding an informational meeting for those interested in singing. Please meet in the orchestra room during your lunch period TODAY. Remember to bring your chromebook, your voice, and a good attitude. We hope to see you there!
2. The EMM meeting for both 7th and 8th grade is TODAY during lunch. Adopt a Beach is this Thursday after school -- permission slips are due today! No exceptions. If you can't make today's lunch meeting there will be another meeting tomorrow during lunch!
3. Gurrie's Speech Team will be meeting after school on Thursday in Mr. Ingwersen's room until 4PM. All are welcome to attend, whether you were at the first Speech Team meeting or not. For first time attendees, you'll get all the info you need to join Speech Team. For everyone else, we'll work with some practice scripts and play some group improv games. If you still are interested in joining Speech Team and can't make the meeting on Thursday, see Mr. Ingwersen as soon as possible!
4. The Early Act meeting for 8th grades has been rescheduled to Friday during lunch in A208, please see Ms. Zalewska for more information!
5. Are you interested in building an underwater robot but you missed the information meetings yesterday? Stop by room 113 to get an application for the club. ALL applications are due to Mrs Halper no later than Thursday after school. See Mrs Halper if you have any questions.
6. The Change War started yesterday during lunch. 7th grade donated \$82.25 in silver and bills. 8th graders put 67 pennies in the 7th grade jar. This gives 7th graders an adjusted total of \$81.58. 8th graders gave \$98.20 in silver and bills and received 56 pennies from the 7th grade. This brings them to an adjusted total of \$97.62. 8th grade starts this war in the lead. Will they break the curse of losing to the 7th graders? We'll see tomorrow during lunch. Remember that pennies subtract from the total. Look for that jar of pennies you have at home and dump it in the other grade level jar.
