4. In the News for Gurrie Girls Basketball!

1st we'd like to say A HUGE thank you to all of the staff and students for showing your support yesterday by wearing your GURRIE PBIS shirts! The team loved it.

The 8th grade team saw much improvement last night against Pleasantdale. Bella Gonzalez hit a 3 in the 1st quarter, and Val Flores and Daniela Martinez add some points to the scoreboard in the 2nd half. However, the girls came up short as the game came to a close.

The 7th grade team came out strong against Pleasantdale.
They maintained a lead throughout the whole game, and while the game remained close, the 7th grade team came out Victorious.
Molly Hall lead the team with 7 points, and Caroline Cannizzaro followed with 6 points.

(This is the 1st time in the last 10 years that Gurrie's 7th grade team has beaten Pleasantdale!) -
this can be edited if needed, but a neat fact??

Way to show grit and determination. It was a great win!
