1. Attention Adventurers!!!

Gurrie's RPG Club will hold its first informational meeting after school today until 4 p.m. in Room 112. No previous RPG or other gaming experience is required, so new members are always welcome to join the adventure! If you have any questions, please see Mr. Walsen or Dr. McGovern with questions. See everyone Friday

2. The Gurrie Boys Softball team faced a tough Westchester Middle School team yesterday in a hard fought battle. The boys completed two pick off attempts, with both Daniel and Geno on the mound. Offensively, both Josh and Nacho had nice hits that drove in runs, along with Gibson who hit a powerful hit to left-centerfield. The boys have their next game on Monday at Pleasantdale Middle School. Come out and support!

3. The 8th grade girls basketball team battled last night against Westchester Middle School. Valeria, Bella, and Daniella scored while Yuritzi and Maggie played tough defense. Their next game is on Tuesday and the 7th grade girls basketball team plays against Park on Monday.
