3. The 7th and 8th grade girls headed to Washington last night for their basketball games. 7th grade girls played a nail biter, with the lead changing between the two schools numerous times throughout the night. In the final seconds of the game, Gurrie came up short. The team played an outstanding defensive game. Molly Hall was high scorer with 6 points, and Caroline Cannizzaro, Reese Cassidy, and Avery Lee added some buckets to keep the Tigers in the game.

The 8th grade team keeps improving with their ball movement and defensive play. Valeria Flores hit a beautiful 3 pointer, while Bella Gonzalez. Bell Velez and Daniela Martinez gave it their all on defense.

Both teams play at HOME Thursday, taking on Pleasantdale with the 7th Grade game starting around 4:15pm.

Thursday is a BLACK OUT day for all GURRIE students. Support your Basketball team by wearing your PBIS GURRIE Black T-shirt to school tomorrow!!
