Gurrie Middle School: Empowering students to make a difference in our world by assisting them to be self-directed, passionate, lifelong learners.

Without returning this signed form, your child will not participate in the cooking club.

Club Description:

Our students will have the opportunity to use kitchen utensils and equipment during our cooking club. Students will learn about appropriate use and safe operation of the kitchen equipment and they will be supervised at all times. Although every precaution is taken to prevent accidents, a certain risk is involved due to the nature of the experience, the age of the student, and the learning environment. Participation in the cooking club is a privilege, not a right, for each student. We are asking for your cooperation in impressing upon your child the importance of being careful and following safety and operation instructions. This, we believe, will back up the instruction that is given. Failure to behave properly will result in loss of this privilege and participation in the cooking club. Due to the nature of the class, we ask that you disclose any known food allergies or restrictions to ensure the safety of your child.

Class Descriptions

Homework Support:

A certified teacher is present at every session to assist students with homework or other academic needs they might have. When homework is completed, students can also engage in quiet activities such as writing greeting cards, cursive practice, coloring/drawing, and making origami. This is a quiet and calming space for students.

Open Gym:

Students and families will interact socially through open and guided gym activities. This allows families from across the district to connect and build relationships.

English as a Second Language for Adults:

One of our teachers will provide English language classes and the Rosetta Stone program will be used to teach English as a second language. During this time, you will develop your proficiency and self-assurance in the English language. There is also the option to learn Spanish!

Maker Space:

Students will be in a space to design, play, tinker, collaborate, inquire, problem-solve, and invent. Students get to use their construction, puzzle-solving, and motor skills to build and create structures. Scientific thinking and play come together for some hands-on activities.

Crafts:

Arts and crafts help build relationships among participants, creating an atmosphere of collaboration and acceptance.

Cooks Corner for K-2 (Tuesday) 3rd-8th (Thursday):

This class encourages creativity, and enhances students' understanding of math and science concepts through practical application and yummy treats with kid friendly recipes.

Descripciones de clases

Apoyo con la tareas:

Un maestro certificado estará presente en cada sesión para ayudar a los estudiantes con la tarea u otras necesidades académicas que puedan tener.

Este es un espacio tranquilo y relajante para los estudiantes.

Tiempo de gimnasio:

Las actividades en el gimnasio serán guiadas. Esto permite que los estudiantes y familiares interactúen socialmente para conectarse y construir relaciones con otras familias del distrito.

Inglés como segundo idioma para adultos (ESL):

Uno de nuestros maestros brindará clases de inglés y se utilizará el programa Rosetta Stone para enseñar inglés como segundo idioma. Durante este tiempo, desarrollará su dominio y seguridad en el idioma inglés. ¡También existe la opción de aprender español!

Maker Space:

Los estudiantes podrán diseñar, jugar, colaborar, investigar y resolver problemas e inventar en un ambiente seguro.

Espacio Creador:

¡Nuestras manualidades de este mes tendrán un tema de invierno! Artes y manualidades ayudar a construir relaciones entre los participantes, creando un ambiente de colaboración y aceptación.

Rincón de cocineros para K-2 (martes) 3.º a 8.º (jueves):

Esta clase fomenta la creatividad y mejora la comprensión de los estudiantes sobre conceptos de matemáticas y ciencias a través de aplicaciones prácticas y deliciosas recetas para niños.
