

# Attention Gurrie parents:

On Thursday, November 3rd, photo retakes will be taken here at school first thing in the morning.

Students who were absent on the day pictures were taken will be photographed at this time regardless of whether or not they wish to purchase a photo package. These photos will be used on the students' IDs for next year and will also be in the 2022-2023 Yearbook.

Students who were photographed on the original picture day and who wish to have a retake **must** return their original packages with them on the day of retake day.

If you have any questions please call the Gurrie office at 482-2720.

# Atención padres de Gurrie:

El jueves 3 de noviembre, se tomarán nuevas fotos aquí en la escuela a primera hora de la mañana.

Los estudiantes que estuvieron ausentes el día en que se tomaron las fotografías serán fotografiados en este momento sin importar si desean o no comprar un paquete de fotografías. Estas fotos se utilizarán en las identificaciones de los estudiantes para el próximo año y también estarán en el Anuario 2022-2023.

Los estudiantes que fueron fotografiados el día de la fotografía original y que deseen volver a tomar la fotografía deben devolver sus paquetes originales con ellos el día de la repetición.

Si tiene alguna pregunta, llame a la oficina de Gurrie al 482-2720.

## Calling all scientists, mathematicians, and engineers! *IMSA Fusion is awesome, and you should join us!*

**What?** This fall's module is *Organized Sound: STEM in Music*. In this module, students will explore how science, technology, engineering and math (STEM) are utilized and inherent to the art of music. We will develop a basic understanding of the physics of sound and apply to the engineering and development of sound technology and instrumentation.

**Who?** Any D105 fourth or fifth grader who...

- is very interested in science and math,
- loves to listen to and/or play music,
- can cooperate well with a team, and
- will be committed to coming to meetings (your team will be relying on you!)

**When?** Mondays after school, 3:20 to 5:20, November 14th to January 23rd (8 sessions).

**Where?** Seventh Avenue School

- We will have a bus from the elementary schools to Seventh Ave.
- If needed, a bus will be available to bring you back to your home afterwards. See commitment form for details.

**How?** Do TWO things so we know you are interested and committed:

1. Fill out the commitment form attached to this letter. Return it to your classroom teacher, or email it to [sstagaman@d105.net](mailto:sstagaman@d105.net).
2. Tell us why you want to be a part of this IMSA Fusion Organized Sound in Music program. You can explain your reasons and show us your excitement in any of the following ways:
  - write a letter or essay
  - make a video or slide presentation
  - create a poster

Give whatever you make to your classroom teacher or email it to [sstagaman@d105.net](mailto:sstagaman@d105.net).

We need both the commitment form and your "Why I want to be in Fusion Organized Sound in Music" piece on or before Friday, November 4th.

*\*If we receive more applications than we have spots available, we will use a lottery drawing at each school to try to best represent our entire district in this program.*

## **Commitment of Full Participation in District 105 FUSION Agreement**

Please turn in this form in hard copy to your school office Attn: Sharon Stagaman, or scan or clearly photograph this completed form and send it electronically to [sstagaman@d105.net](mailto:sstagaman@d105.net). Applications are due no later than **Friday, November 4th**.

*I agree to commit, void of extreme and unexpected circumstances, to full attendance of the Fusion program and, therefore, will be absent no more than two class meetings throughout this module, November 14th, 2022 to January 23rd, 2023. My parent(s) will support me in honoring this participation commitment.*

**Student Name** \_\_\_\_\_

(Please print)

School

2022-23 Grade Level

**Student Signature** \_\_\_\_\_ **Date** \_\_\_\_\_

**Parent Signature** \_\_\_\_\_ **Date** \_\_\_\_\_

## Class Offerings

**Homework Support:** A certified teacher is present at every session to assist students with homework or other academic needs they might have. This is a quiet and calming space for students.

**Open Gym:** Students and families will interact socially through open and guided gym activities. This allows families from across the district to connect and build relationships.

**Computer SCI:** 4th-6th graders will learn computer science fundamentals in a fun and engaging way. Activities will be both “plugged in” & “unplugged”. Students will learn computational thinking, problem solving, digital citizenship, and programming concepts.

**English as a Second Language for Adults:** English will be taught using the Rosetta Stone program. We will use this time to build your strength and confidence in the English Language.

**Maker Space:** Students will be in a space to design, play, tinker, collaborate, inquire, problem-solve, and invent.

**Crafts:** Our crafts this month will be fall themed. Arts and crafts help build relationships among participants, creating an atmosphere of collaboration and acceptance.

**Board Games:** During sessions leaders guide and support students while they engage in fun table games.

<p>21</p>	<p>22</p> <p><b>Centro de conexión cerrado</b></p>	<p>23</p>	<p><b>Día de Acción de Gracias</b> <b>No Hay Clases</b></p>	<p>24</p>	<p>25</p>
<p>28</p>	<p><b>ESL para adultos</b> Hilda Gamba</p> <p><b>Paletas navideñas de bombón</b> Ms. Silva</p> <p><b>Tiempo de gimnasio</b> Kimberly Berg</p> <p><b>Ciencias de Computación</b> Jane Falvey</p> <p><b>Apoyo con la tareas</b> Mariko Yamamoto</p>	<p>30</p>	<p><b>*La flor de bombon y paletas navideñas de bombón son clases para adultos dirigidas por la madre del D105, la Sra. Silvia. ¡El espacio es limitado, así que comuníquese con Marbella Martinez para reservar su lugar!</b></p> <p style="text-align: right;"><b>708-482-2750</b></p>		

**Apoyo con la tareas:** Un maestro certificado estará presente en cada sesión para ayudar a los estudiantes con la tarea u otras necesidades académicas que puedan tener. Este es un espacio tranquilo y relajante para los estudiantes.

**Tiempo de gimnasio:** Las actividades en el gimnasio serán guiadas. Esto permite que los estudiantes y familiares interactúen socialmente para conectarse y construir relaciones con otras familias del distrito.

**Ciencias de Computación:** Los estudiantes de 4to a 6to grado aprenderán los fundamentos de la ciencias de computación de una manera divertida y atractiva. Las actividades serán tanto "conectadas" como "desconectadas" (sin computadora). A los estudiantes se les enseñará pensamiento computacional, resolución de problemas, ciudadanía digital y conceptos de programación.

### Inglés como segundo idioma para adultos

#### ESL:

Las clases de inglés se enseñarán usando el programa Rosetta Stone. Es un tiempo reservado para dedicar a aprender el idioma de inglés y desarrollar su fuerza y confianza.

**Maker Space:** Los estudiantes podrán diseñar, jugar, colaborar, investigar y resolver problemas e inventar en un ambiente seguro.

**Espacio Creador:** ¡Nuestras manualidades de este mes tendrán un tema de otoño! Artes y manualidades ayudan a construir relaciones entre los participantes, creando un ambiente de colaboración y aceptación.

**Juegos de Mesa:** Durante las sesiones, los líderes guían y apoyan a los estudiantes mientras participan en divertidos juegos de mesa.
