Gurrie Middle School: Empowering students to pursue their interests, talents and dreams.

March 19th, 2018

Dear Parents of Eighth Graders,

The eighth graders will be taking their annual class trip to Great America on Thursday, May 24th. Because this trip requires a high level of personal responsibility on the part of the individual students, we allow only students who have shown a high level of personal responsibility in the latter part of the school year to attend. Therefore, any student who earns two or more major referrals from April 3rd on will not be eligible to attend. We have also discussed this policy with the students in advisory. Please review this with your child. If you have any questions, please contact your child's advisor(s).

Sincerely,

Team 8 Advisors

19 de Marzo, 2018

Estimados Padres de Estudiantes de Octavo Grado,

Los estudiantes de octavo grado tomarán su paseo anual de clase a Great América el jueves 24 de mayo. Debido a que este paseo requiere un alto nivel de responsabilidad personal por parte de cada estudiante, únicamente permitiremos asistir a los estudiantes que han demostrado un alto nivel de responsabilidad personal en la última parte del año escolar. Por lo tanto, cualquier estudiante que tenga dos o más reseñas mayores a partir del 3 de abril no será elegible para asistir. También hemos discutido esta regla con los estudiantes durante consejería. Por favor revise esto con su hijo. Si tiene alguna pregunta, comuníquese con el consejero(s) de su hijo.

March 19, 2018

Dear Parent:

Beginning April 4th, we will begin administering the PARCC (Partnership for Assessment of Readiness for College and Careers) Performance Based Assessment.

This test assesses students on the Common Core English-Language Arts and Math standards. Our Gurrie teachers have aligned classroom instruction to the standards and are sharing sample test items with students. Students in seventh and eighth grade will be taking six assessments, three in reading and three in math. Students will take the assessments using their Chromebooks and complete one assessment per day, completing the final assessment on April 12th. Specific testing days are April 4th, 5th, 6th, 10th, 11th, and 12th. After completing an assessment, students will follow an adjusted class schedule.

Students who are absent or tardy will need to make up the tests they missed during the testing window. It is very important that students are here and taking the tests during the designated times.

Please contact me with any questions or concerns.

Sincerely,

Estimados Padres:

Empezando Lunes el 16 de Marzo, nosotros empezaremos la administrando de los Asesoramientos Basados en la Interpretación de Evaluaciones PARCC (Asociación para Asesoramientos en preparación para la Universidad o un Carrera.)

Esta prueba, lo cual remplacea ISAT, asesorara a los estudiantes en los nuevos Estándares Estatales Comunes en el Arte del Lenguaje-Ingles y Estándares en Matemáticas. La prueba está dividida en dos partes, la evaluación es basa en Interpretación dada en Marzo y al *fin del año* (EOY) prueba administrada al principio de Mayo (mas información ira a casa en los próximos meses referente los asesoramientos EOY.) Durante los últimos dos años, nuestros maestros de Gurrie han alineado las instrucciones de salón a los nuevos estándares y están compartiendo ejemplos de pruebas con los estudiantes. Estudiantes de 7 y 8 grado tomaran 5 asesoramientos, tres en lectura y dos en matemáticas. En Gurrie, los estudiantes tomaran los asesoramientos usando los Chromebooks (tabletas) y completaran un asesoramiento por día, completando la prueba final el Viernes, 20 de Marzo.

Estudiantes que estén ausentes o tarde tendrán que recuperar las pruebas pérdidas durante la semana del 23 de Marzo. Es muy importante que los estudiantes estén aquí y tomar las pruebas durante los horarios designados.

Por favor comuníquese con migo con cualquier pregunta o preocupación.

MARCH IS MUSIC IN OUR SCHOOLS MONTH -

What YOU can do:

- Get involved in your music booster group and/or volunteer in the classroom. Your teachers have ideas, and you could be the answer.
- Thank your school principal for supporting your child's music program and music teacher. "Thank you" is not something they hear every day. And it shows you're paying attention.
- Write your local/national newspaper a letter-to-the-editor about what music has meant for your child. It only takes 80 to 100 words, but it can go a long way. Lawmakers and other decision-makers are keeping track of what constituents want.
- Invite your school board members, county/district supervisors, state/national lawmakers to your child's school concert. No, really! They may see it as only a public relations opportunity when they come, but when they leave, they'll understand why music matters in all schools.
- Reach out to local media. Whether on radio, TV, or in print, your school music program has a story to tell. See the "Public Relations 101" resource for advocates below for more ideas.

Dates to Remember

- 3/17 - IGSMMA Band and Orchestra Contests

El dinero y la hoja de permiso deben enviarse de vuelta a la escuela a más tardar el martes, 15 de mayo, pero puede pagar tan pronto como lo desee.
