Dear Gurrie Parents and Guardians,

Introduction

District 105 is conducting our seventh annual survey. The survey focuses on a few core questions and **will take you only five to ten minutes to complete.**

I strongly encourage you to complete a survey as your feedback will provide us with critical information to assess how well we are serving our students and progressing toward our school and district goals. Over the years, survey responses from our parents and students have helped us improve our:

- Communication about student progress
- Instructional programming, especially attention to individual student needs
- Identification of new programs and services
- Use of technology in the classroom
- Timely communication on our district, school, and classroom websites
- Consistency in expectations for the time students devote to homework
- Support for students in developing positive and respectful relationships

Completing the Survey

If you have children at an elementary school and Gurrie Middle School, we ask you to complete two surveys – one for each school. We have provided two options for taking the survey:

- Complete the attached survey and return it to your school any time on or before May 25th.
- Take the survey on-line from home or work from May 9th – May 25th:
 - Go the Gurrie home page (which can be accessed by visiting www.d105.net and clicking on **Schools** at the top of the page).
 - Click on the **Parent Survey** link in the links section of your school's home page.

Results

The results will be presented in summary form to the School Board at the June or July meeting and posted on the District 105 website d105.net soon thereafter.

Thank you very much for taking the time and effort to provide us with information that will help us continually improve our work with students and parents. Please do not hesitate to contact me with any questions.

Queridos padres y guardianes de Gurrie,

Introducción

El Distrito 105 está llevando a cabo su séptima encuesta anual. La encuesta se enfoca en unos pocos asuntos principales y **le tomara a usted solo de cinco a diez minutos completarla.**

Yo lo animo fuertemente a completar la encuesta puesto que sus respuestas nos proveerán información crítica para evaluar que tan bien estamos sirviendo a nuestros estudiantes y progresando hacia las metas de nuestras escuelas y del Distrito. A lo largo de los años las respuestas a las encuestas de nuestros padres y estudiantes nos han ayudado a mejorar nuestras:

- Comunicaciones sobre el progreso de los estudiantes
- Programación Instruccional, especialmente en la atención a las necesidades individuales del estudiante
- Identificación de programas y servicios nuevos
- Uso de tecnología en el salón de clases
- Comunicación a tiempo en nuestras páginas web del Distrito, escuela, y salón de clase
- Consistencia en expectativas por el tiempo que los estudiantes consagran a las tareas
- Ayuda a los estudiantes para desarrollar relaciones positivas y respetuosas

Para completar la encuesta

Si usted tiene niños en una escuela primaria y en la escuela intermedia Gurrie, le pedimos que complete dos encuestas – una para cada escuela. Le hemos proporcionado dos opciones para hacer la encuesta:

- Completar la encuesta adjunta y devolverla a su escuela en cualquier momento el o antes del 25 de mayo.
- Hacer la encuesta en línea en casa o en el trabajo entre el 9 y el 25 de mayo:
 - Entre a la página inicial de Gurrie (a la cual se puede entrar visitando www.d105.net y dando clic en **Escuelas (Schools)** en la parte de arriba de la página).
 - De clic en el enlace “**Parent Survey**” (encuesta de los padres) en la sección de enlaces de la página inicial de su escuela.

Resultados

Los resultados se presentarán en un resumen a la Junta Directiva de la Escuela en la reunión de junio o julio y serán en la página del Distrito 105: d105.net, *enseguida*.

Muchas gracias por tomarse el tiempo y el esfuerzo para proporcionarnos información que nos ayudara a mejorar continuamente nuestro trabajo con estudiantes y padres. Por favor no dude en contactarme con cualquier pregunta.

Cordialmente,

DISTRICT 105 REGISTRATION PROCEDURES

Dear Parents,

Thank you for all of your support throughout the school year. This letter provides details about the 2018-19 Registration procedures.

We are once again providing a **mail-in/drop-off option for registration** for next school year to make the process more convenient for our families and to gain enrollment information earlier to improve planning. We will be sending this information home with report cards for our current pre-school and elementary school students, and mailing the registration packet home to the parents of our current seventh grade students. The families of our incoming Kindergarten students received their packets on Kindergarten Registration night.

We encourage you to fill out the registration packet and mail it or return it to your child(ren)'s home school by **Thursday, June 28, 2018**. Remember that you have the option to pay registration fees and load prepaid meal accounts online with a credit card. You still have the option to pay registration fees and add funds to your students' meal accounts by check or cash. Each school has a secure mailbox outside its entrance, so if the office is closed, you can still drop off your Registration packets.

The district will also provide a Walk-In Registration date on **Monday, July 30th**, at Seventh Avenue School (701 S. Seventh Avenue, La Grange, IL) from 4:00 p.m. to 7:00 p.m.

I hope many of our families take advantage of this mail-in registration option. Thank you again for a great school year, and please enjoy the summer.

Sincerely yours,

PROCEDIMIENTOS DE INSCRIPCIÓN DEL DISTRITO 105

Queridos Padres,

Gracias por todo su apoyo durante todo el año escolar. Esta carta les da detalles sobre los procedimientos de Registro para el año escolar 2018-19.

Otra vez les estamos ofreciendo **la opción de mandar por correo o dejar las formas de registro** para el próximo año escolar para que el proceso sea más conveniente para nuestras familias y obtener información de inscripción temprano para mejorar la planificación. Estaremos enviando esta información a su casa con el reporte de calificaciones para los estudiantes de preescolar y primaria e enviando el paquete de inscripción a su casa por medio del correo a los estudiantes de séptimo grado. Las familias de niños entrando a Kinder recibieron sus paquetes de registración en la noche de pre-registración de Kinder.

Les pedimos el favor a los padres que completen el paquete de inscripción y lo envíen por correo o lo devuelvan a su escuela antes del **Jueves, 28 de Junio del 2018**. Recuerde que usted tiene la opción de pagar las cuotas de inscripción y de cargar cuentas pre pagadas de comida en línea con una tarjeta de crédito. Usted todavía tiene la opción de pagar las cuotas de inscripción y añadir fondos a las cuentas de comidas de sus estudiantes mediante cheque o en efectivo. Cada escuela tiene su propia caja de seguridad afuera de su edificio, por si la oficina está cerrada, usted aún puede dejar su paquete de Registración.

El distrito también les ofrece una fecha donde usted puede venir en persona y registrar a su hijo/a el **Lunes 30 de Julio** en la Escuela de la 7 Avenida (701 S. Seventh Avenue, La Grange, IL) de 4:00 p.m. a 7:00 p.m.

Espero que muchas de nuestras familias tomen ventaja de esta opción de registrarse por correo. Gracias de nuevo por un gran año escolar, y por favor, disfrute el verano.

Sinceramente,

May 2018

Dear District 105 Parents and Guardians,

It is that time of the year again to begin thinking about District 105 Summer CONNECT learning experiences for your children. Research focused on academic skill regression states that over the summer months students can lose anywhere from one to three months of learning! District 105 has completed a comprehensive study examining multiple years of student data. Consistent with national studies on summer regression, we determined that our students regress over the summer as well. This regression is seen across all of our District 105 schools, and all socio-economic levels are impacted.

To address this learning loss, District 105 has offered the CONNECT program over the last six summers. Our programming has evolved over the years, with any changes always based on student performance data and how to best serve our students and families over the summer months. Survey results over the last few years have highlighted that District 105 summer programming has been well received by families and is highly valued by the parent community. Therefore, the Summer CONNECT programming will continue this year with learning opportunities and resources available at each of our five community schools. Summer CONNECT 2018, lasting from June 11-August 2, will include the following:

Summer Goal Setting

Setting goals with students is a common practice across our classrooms all year long. It is important that learning goals are carried over into the summer months. For Summer CONNECT 2018, our kindergarten-7th grade teachers and students will be setting summer reading and math goals together. Your child's goals for the summer months can be found inside the Summer CONNECT 2018 folder. Take some time to review these goals with your child as well as reflect on their progress over the summer months!

Math and Literacy Family Game Nights

Over the summer months, District 105 will host a Math and Literacy Family Game Night at each elementary school! This evening event will offer a wide range of games spanning all age ranges that parents and children can enjoy together! We hope you can take part in this engaging experience for the whole family! Mark your calendars for the fun!

- **Ideal School – July 10 (6:00-7:30 pm)**
- **Spring Avenue/Gurrie (held at Spring Avenue) – July 16 (6:00-7:30 pm)**
- **Hodgkins School – July 24 (6:00-7:30 pm)**
- **Seventh Avenue – August 1 (6:00-7:30 pm)**

Compass Learning and IXL Online Math and ELA Programs (grades K-8)

All students in District 105 have an online account to Compass Learning ELA and Math as well as access to an IXL Math online account. Access will continue over the summer months. Compass Learning offers targeted skill practiced that is individualized to the student based on MAP Test results. IXL is a comprehensive math practice site with an unlimited number of math practice questions in hundreds of skills — all of which are aligned to grade level standards.

Summer Learning For All Website

District 105 teachers and staff have combined efforts and are excited to bring you the Summer Learning For All webpage. The resources found on this webpage have been chosen to enhance your child's summer learning. Visit a museum's online collection, practice your math facts, or be creative with poetry and writing. Visit www.d105.net for more information.

Calendar of Math and Reading Activities

Over the months of June, July, and August, keeping students focused on Math and Literacy on a daily basis is critical to curb summer regression. Inside your Summer CONNECT 2018 folder, you will find a calendar of literacy and math activities spanning

IMSA Fusion Sessions

We are excited to announce our continued partnership with the Illinois Math and Science Academy (IMSA) this summer! District 105 will offer Summer CONNECT Fusion, an enrichment program for Illinois students who are talented and motivated in math and science! During the summer, District 105 will host an IMSA Fusion session for 6th-8th graders:

6th-8th grade – Secret Communications

- Ciphers and codes come together in this unit to foster inquiry into the subject of cryptology. Students combine critical observations skills with logical analysis strategies to solve "secret" messages and share encrypted ideas with others.
- **June 11-15 8:00-12:00**

***6th-8th grade students interested in participating should follow the application process attached!**

Gurrie Summer Learning Sessions (incoming 7th and 8th grade students)

A variety of academic-related learning sessions (similar to the offerings in CONNECT 2017) will be available for our middle school students. These offerings will be communicated to our 2018-19 Gurrie Middle School students and parents before year end.

Summer District Open Library

District Open Library this summer will offer hours at all five of our libraries. Students can read stories, check out books, and/or practice with IXL or Compass Learning during Open Library sessions. There will be early summer hours and late summer hours. Please see the schedule to the right for specific dates, times, and locations. All students are welcome to attend and check out books at any D105 libraries across the district. Open Library will take place during the weeks of

June 11-August 2:

Through goal setting, math/literacy GAME nights, online learning opportunities, and suggested daily learning activities for parents and children, District 105 remains committed to maintaining student learning over the summer months. During the final week of school, keep an eye out for the **Summer CONNECT 2018** folder with more details around all our summer programming!

Mayo del 2018 .

Queridos Padres y Guardianes del Distrito 105,

Es de nuevo esa época del año para empezar a pensar en las experiencias de aprendizaje CONEXION del Distrito 105 en verano para sus hijos. ¡La investigación se centró en que la regresión de la habilidad académica indica que durante los meses de verano los estudiantes pueden perder en cualquier lugar, de uno a tres meses de aprendizaje! El Distrito 105 ha completado un estudio exhaustivo examinando varios años de datos de los estudiantes. Consistentemente con los estudios nacionales sobre la regresión del verano, determinamos que nuestros estudiantes también tienen regresión durante el verano. Esta regresión se ve en todas nuestras escuelas del distrito 105, y todos los niveles socioeconómicos se ven afectados.

Para hacerle frente a esta pérdida de aprendizaje, el Distrito 105 ha ofrecido el programa CONEXION durante los últimos seis veranos. Nuestra programación ha evolucionado a lo largo de los años, con cualquier cambio siempre basado en los datos de rendimiento estudiantil y cómo servir mejor a nuestros estudiantes y familias durante los meses de verano. Los resultados de la encuesta en los últimos años han destacado que la programación de verano del Distrito 105 ha sido bien recibida por las familias y es altamente valorada por la comunidad de padres. Por lo tanto, la programación CONEXION del verano continuará este año con oportunidades de aprendizaje y recursos disponibles en cada una de nuestras cinco escuelas comunitarias. El Programa CONEXION del verano 2018, durará del 11 de junio al 2 de agosto, he incluirá lo siguiente:

Establecer metas de Verano

Establecer metas con los estudiantes es una práctica común en nuestros salones de clase durante todo el año. Es importante que las metas se prolonguen a los meses de verano. Para el Programa CONEXION del verano 2018, nuestros maestros y estudiantes de kinder-7º grado estarán estableciendo metas en lectura y matemáticas del verano juntos. Las metas de su hijo para los meses de verano pueden encontrarse dentro de la carpeta CONEXION verano 2018. ¡Tómese un tiempo para revisar estas metas con su hijo, así como para ver cómo se reflejan en su progreso durante los meses de verano!

Noches de juego en Familia- Matemáticas y Literatura

¡Durante los meses de verano, el Distrito 105 será anfitrión de una noche de juego en Familia de Matemáticas y Literatura en cada escuela! ¡Este evento ofrecerá una amplia gama de juegos que abarcan todos los rangos de edad que los padres y los niños pueden disfrutar juntos! ¡Esperamos que usted pueda participar en esta atractiva experiencia para toda la familia! ¡Marque sus calendarios para la diversión!

Programas Compass Learning y IXL En línea para Matemáticas y ELA (grados K-8)

Todos los estudiantes en el Distrito 105 tienen una cuenta en línea para Compass Learning, matemáticas y ELA, así como el acceso a una cuenta en Matemáticas en Línea IXL. El acceso continuará durante los meses de verano. Compass Learning ofrece destrezas y practicas específicas que se individualizan al estudiante basándose en los resultados de las pruebas MAP. IXL es un sitio integral de práctica de matemáticas con un número ilimitado de preguntas de práctica en matemáticas en cientos de habilidades, todas las cuales están alineadas con los estándares al nivel de grado

Página WEB Aprendizaje en Verano para Todos

Los maestros y empleados del Distrito han combinado esfuerzos y están emocionados por traer a usted la página "Aprendizaje en Verano para Todos" Los recursos que encuentran en esta página han sido escogidos para aumentar el aprendizaje de su niño en Verano. Pueden visitar una colección de un museo en línea, practicar sus factores matemáticos, o ser creativos en poesía y escritura. Para más información visite: www.d105.net

Calendario de Actividades en Matemáticas y Lectura

Durante los meses de junio, julio y agosto, mantener a los estudiantes diariamente enfocados en matemáticas y Literatura es fundamental para frenar la regresión del verano. Dentro de su carpeta Summer CONEXION 2018, usted encontrará un calendario de actividades en literatura y matemáticas que se extienden de junio a agosto. Utilice estas actividades diarias como una manera de mantener el aprendizaje en curso durante todo el verano. Estos calendarios también estarán vinculados al sitio web del distrito bajo *aprendizaje en verano para todos*.

Club de Libros de Familia en Verano

Las familias con estudiantes de todas las edades están invitadas a participar en nuestro primer club de libros de familia en verano del Distrito 105. Vamos a leer *¿Que fue el Gran Incendio de Chicago?* escrito por Janet B. Pascal. Las familias explorarán la historia de Chicago a través de mapas, ciencias y las historias de los que sobrevivieron. Una variedad de estaciones y actividades enfocadas en el incendio de Chicago serán establecidas para que las familias experimenten e investiguen. A las familias participantes se les proporcionará el libro y materiales relacionados antes de que finalice el año escolar. Sesiones IMSA Fusion

¡Estamos muy contentos por anunciar nuestra continua colaboración con la Academia de Matemáticas y Ciencias de Illinois (IMSA) este verano! ¡El Distrito 105 ofrecerá 'Summer CONEXION Fusión', un programa de enriquecimiento para estudiantes de Illinois que tengan talento y motivación en matemáticas y Ciencias! Durante el verano, el Distrito 105 acogerá dos sesiones de fusión de IMSA: 6º - 8º grados – las comunicaciones secretas cifradas y códigos se unen en esta unidad para fomentar la investigación sobre el tema de la criptografía. Los estudiantes combinan habilidades de observaciones críticas con estrategias de

Book and Library Fines, Lunch Balances....

Your son or daughter has been, or will be notified regarding any fines for damaged or lost books, library book fines, Chromebook service or replacements, or other associated fees (lunchroom balances, field trip balances, gown fee, etc.) that may be outstanding. 8th graders need to clear these balances prior to graduation (by May 25th). Check with your child to see if there is anything that needs to be paid and if you have any questions, please call the office or your child's advisor(s). Thank you for your attention to this.

Graduation Ceremony and Expectations

Graduation is Tuesday, May 29th at 7pm. The ceremony will be held at Lyons Township High School, South Campus Field House. ***Graduates need to report to South Campus Field House no later than 6:30pm in their gown.*** The ceremony will begin promptly at 7:00pm. Gowns are rentals and need to be returned right after the ceremony.

On Tuesday, May 29th, all eighth graders should report to school at the normal arrival time. We will have a variety of activities that morning then travel to LT and hold graduation practice for the ceremony at approximately 12:45. As in the past, the Duane Caylor, Doreen Duncan, American Legion, Faculty, and Daughters of the American Revolution Awards will be presented at the graduation ceremony. After practice at LT, report cards will be distributed and students will then be driven back to Gurrie and dismissed when we return. We anticipate returning to GMS by 2:30 and dismissing. Dismissal time may be slightly earlier if the practice goes smoothly or later, if the students require more time for rehearsal. We will have normal bus service from Gurrie to home after we return from LT for students who take the bus.

Over the past few weeks in the weekly envelope we have sent information on special seating requests at graduation. Weekly envelopes and the seating letter are posted on our website and we will continue to send this home. Please complete the form and return to the office no later than May 20. No tickets are required for graduation.

LT South Campus is located at 4900 Willow Springs Road, Western Springs. Please park in the parking lot on the north side of the property. Students will need to report to the doors by the swimming pool for preparation and line up (no later than 6:30). We ask that all others please enter through the west doors around the corner from the pool. These doors will lead you to the field house where the ceremony will take place.

As I do each year at the ceremony, I ask that when we are reading the names of the graduates the audience refrain from applause, whistling, or other noises as students are being called for their diplomas. Please hold the applause until all the students have been called. This will ensure that

Estimados Padres de 8º Grado,

Multas de Libros y Biblioteca, Balances de Almuerzos....

Su hijo ha sido o será notificado acerca de cualquier multa por libros dañados o perdidos, multas de la biblioteca, servicios de reparación o remplazo del Chromebook u otros cargos asociados (deudas de almuerzos, saldos de paseos educativos, costos de bata de graduación, etc.) que puedan estar pendientes. Los estudiantes de 8º grado necesitan estar a paz y salvo antes de la graduación (para el 25 de mayo). Revise con su hijo para ver si hay algo que necesita ser pagado, y si tiene alguna pregunta, llame a la oficina o al consejero(s) de su hijo. Gracias por su atención a este respecto.

Ceremonia y Expectativas de Graduación

La graduación es el martes, 29 de mayo a las 7 p.m. La ceremonia se llevará a cabo en la Escuela Secundaria Lyons Township, **en las instalaciones atléticas de la sede sur, a donde los graduados necesitan reportarse a más tardar a las 6:30 p.m. en su bata de graduación.** La ceremonia comenzará puntualmente a las 7:00 p.m. Las batas de graduación deben ser devueltas justo después de la ceremonia.

El martes 29 de mayo todos los estudiantes de octavo grado deben reportarse a la escuela a la hora de llegada normal. Tendremos una variedad de actividades y luego iremos a LT y tendremos una práctica de graduación para la ceremonia a las 12:45 aproximadamente. Como en el pasado, los premios Duane Caylor, Doreen Duncan, Legión Americana, Facultad, e Hijas de la Revolución Americana serán presentados en la ceremonia de graduación. Después de la práctica en LT, se distribuirán los reportes de calificaciones y los estudiantes serán llevados de vuelta a Gurrie y saldrán para sus casas cuando regresemos. Anticipamos regresar a GMS antes de las 2:30 para la salida. La hora de salida puede ser un poco más temprana si la práctica transcurre sin problemas o más tarde, si los estudiantes requieren más tiempo para ensayar. Tendremos un servicio de autobús normal desde Gurrie a casa después de regresar de LT para los estudiantes que toman el autobús.

Durante las últimas semanas en el sobre semanal hemos enviado información sobre solicitudes de asientos especiales para la graduación. Los sobres semanales y la carta de asientos especiales se encuentran publicados en nuestra página web y las continuaremos

Pedimos a todos los demás el favor de entrar a por las puertas del oeste, a la vuelta de la esquina de la piscina. Estas puertas los conducirán a las instalaciones deportivas donde tendrá lugar la ceremonia.

Como lo hago cada año en la ceremonia, les pido el favor que cuando leamos los nombres de los graduados, la audiencia se abstenga de aplausos, silbidos, u otros ruidos, al momento en que los estudiantes sean llamados para entregarles sus diplomas. Por favor guarden sus aplausos hasta que todos los estudiantes hayan sido llamados. Esto asegurará que el nombre de cada estudiante sea escuchado, y cada estudiante y su familia sean respetados. Agradecemos de antemano su colaboración.

Ha sido un placer servirles a ustedes y a sus hijos en estos últimos años. Estoy muy emocionado por las maravillosas oportunidades que les esperan en la escuela secundaria. Espero verlos en la ceremonia.

Gurrie Middle School: Empowering students to pursue their interests, talents and dreams.

April, 2018

Dear Gurrie Families,

Over the past ten years, Gurrie's student population has grown considerably. As we continued to grow, we found that holding the graduation ceremony in the Gurrie gym became problematic. We could only issue limited tickets (today that would translate into roughly two tickets per family), there was no air conditioning, and the sheer number of people created an uncomfortable and difficult situation. We began to investigate other options and decided on the field house at Lyons Township High School, South Campus. This allowed the opportunity for air conditioning, families being able to attend without worries of tickets, and a sense of moving forward for our students as almost all of them would be attending LT as freshman. While many of us miss the friendly confines of Gurrie, this venue provides a positive and more comfortable graduation ceremony.

Each year, I have sent home information stating what our expectations for behavior at the ceremony is, and it is restated again that evening before students receive their diplomas. In the past, some people in the audience chose to ignore those expectations and mildly disrupted the ceremony with movement, allowing unsupervised children to move around the bleachers, and yelling and applauding loudly during the time when students' names were announced and diplomas awarded.

While we want everyone to be able to recognize the accomplishments of their child, grandchild, brother, sister or friend, it is vital that those in attendance follow our expectations for this distinguished ceremony, so that everyone can hear and enjoy their graduate's special moment.

We have discussed and investigated a variety of ideas to address our concerns and decided on the following expectations:

- all audience members, including children, are to stay seated with their family for the entire ceremony
 - standing and moving around blocks the view for other audience members
 - if you do not think that your children can sit through the hour or so program, please do not bring them to the graduation ceremony
- if you feel the need to bring balloons to the graduation, you will be asked to store them along the north wall of the Field House during the ceremony and you can pick them up on the way out of the building

"Be Respectful, Be Ready, Be Safe."

Escuela Intermedia Gurrie: Empoderando estudiantes a perseguir sus intereses, talentos y sueños

Abril, 2018

Estimadas Familias de Gurrie,

Durante los últimos diez años, el número de estudiantes de Gurrie ha crecido considerablemente. A medida que continuamos creciendo, hemos visto cómo problemático la celebración de la ceremonia de graduación en el gimnasio de Gurrie. Sólo podíamos expedir un número limitado de boletas (que se traduciría hoy en día a tan solo dos entradas por familia), no contábamos con aire acondicionado, y el gran número de personas creaba una situación incómoda y difícil. Empezamos a investigar otras opciones y optamos por las instalaciones atléticas de la sede sur de la Escuela Secundaria Lyons Township. Esto nos permite contar con aire acondicionado, permitir a las familias asistir sin preocupaciones de restricciones de boletas, y una sensación de continuidad para nuestros estudiantes ya que casi todos ellos estarán asistiendo a LT como estudiante de primer año de secundaria. Mientras que muchos de nosotros extrañamos los amistosos límites de Gurrie, este lugar proporciona un espacio positivo y más cómodo para la ceremonia de graduación.

Cada año, he enviado a las casas información indicando nuestras expectativas de comportamiento en la ceremonia, y se reafirman de nuevo esa noche antes de que los estudiantes reciban sus diplomas. En el pasado, algunas personas de la audiencia optaron por ignorar esas expectativas e interrumpieron ligeramente la ceremonia con sus movimientos, permitiendo a los niños moverse sin supervisión en las tribunas, gritando y aplaudiendo fuertemente durante el momento en que los nombres de los estudiantes son anunciados y durante la entrega de los diplomas.

Si bien queremos que todos puedan reconocer los logros de sus hijos, nietos, hermanos o amigos, es vital que los asistentes sigan nuestras expectativas para esta distinguida ceremonia, para que todos puedan escuchar y disfrutar el momento especial de su graduado.

Hemos discutido e investigado una variedad de ideas para manejar nuestras preocupaciones y hemos decidido fijar las siguientes expectativas:

- Todos los miembros del público, incluidos los niños, deben permanecer sentados con sus familias durante toda la ceremonia.
 - Ponerse de pie y estar moviéndose bloquea la vista de otros miembros del público.
 - Si usted piensa que sus niños no pueden permanecer sentados durante más o menos una hora de la duración del programa, por favor no los traiga a la ceremonia de graduación.

- Si usted desea traer globos a la graduación, se le pedirá que los guarde a lo largo de la pared norte de las instalaciones atléticas durante la ceremonia y podrá luego recogerlos cuando vaya saliendo del edificio.
- Nadie debe ponerse de pie para tomar fotografías durante la entrega de diplomas
 - Por favor tomen sus fotos antes o después de la ceremonia afuera o en las áreas comunes
 - Durante la ceremonia, pueden tomar fotografías permaneciendo sentados.
 - No se acerquen al escenario para tomar fotografías
 - Tendremos un fotógrafo profesional en el escenario tomando fotos de cada estudiante a medida que reciban sus diplomas
- Los miembros del público deberán abstenerse de cualquier conducta que perturbe la solemnidad de la ceremonia.
 - Por favor absténganse de gritar o de hacer otros ruidos durante la ceremonia y en particular, al leer los nombres de los estudiantes que reciben su diploma

Sentimos que estas expectativas permitirán una ceremonia más respetuosa y agradable. Si tienen cualquier pregunta o inquietud con este respecto, sírvanse ponerse en contacto conmigo.

Respetuosamente,

Ed Hood

CLUB DE LECTURA EN FAMILIA DEL VERANO

Miércoles 27 de Junio 2018

6:00 a 7:30 pm

Escuela Ideal

Todas las Familias del Distrito
están invitadas

RESUMEN DEL LIBRO

El Domingo 8 de Octubre de 1871, empezó un incendio en el lado sur de Chicago. Una larga sequia hizo que el vecindario se incendiara. Y prácticamente todo lo que podía salir mal salió. Primero los bomberos se fueron al sitio equivocado. Vientos muy fuertes ayudaron a que el fuego saltara el río Chicago dos veces. Las plantas de tratamiento de Chicago se quemaron, haciendo imposible combatir el incendio. Finalmente después de dos días, la madre naturaleza tomó cartas en el asunto, apagando con lluvia las asfixiantes llamas. Este estupendo resumen de un desastre no solamente cubre el incendio sino que explora toda la historia de como se combatió el fuego.

DETALLES DEL EVENTO

Familias con estudiantes de todas las edades están invitadas a participar en nuestro primer Club de Lectura en Familia en Verano del Distrito 105. Leeremos como fue el Gran Incendio de Chicago escrito por Janet B. Pascal. Las Familias explorarán la historia del incendio de Chicago a través de mapas, ciencias, y las historias de aquellos que lograron sobrevivirlo. Una variedad de estaciones y actividades enfocadas en el incendio de Chicago se realizarán para que las familias las hagan e investiguen.

- Se proveerá a las familias que participen, el libro y materiales relacionados antes de que termine el año escolar.
- Regístrese devolviendo la parte inferior de esta forma a la oficina de la escuela antes del **Junio 1**.
- También puede registrarse llenando esta forma Google para inscribirse para participar: goo.gl/FD1Hsf

DISTRICT 105

SUMMER FAMILY BOOK CLUB

Wednesday, June 27, 2018

6:00-7:30 pm

Ideal Elementary School

All District families are invited

BOOK SUMMARY

On Sunday, October 8, 1871, a fire started on the south side of Chicago. A long drought made the neighborhood go up in flames. And practically everything that could go wrong did. Firemen first went to the wrong location. Fierce winds helped the blaze jump the Chicago River twice. The Chicago Waterworks burned down, making it impossible to fight the fire. Finally after two days, Mother Nature took over, with rain smothering the flames. This overview of a stupendous disaster not only covers the fire but explores the whole history of fire fighting.

EVENT DETAILS

Families with students of all ages are invited to participate in our first District 105 Summer Family Book Club. We will be reading What Was the Great Chicago Fire written by Janet B. Pascal. Families will explore the history of the Chicago Fire through maps, science, and the stories of those who survived. A variety of stations and activities focused on the Chicago Fire will be set up for families to experience and investigate.

- Participating families will be provided the book and related materials before the end of the school year.
