Gurrie Middle School: Empowering students to pursue their interests, talents and dreams.

April, 2018

Dear Gurrie Families,

Over the past ten years, Gurrie's student population has grown considerably. As we continued to grow, we found that holding the graduation ceremony in the Gurrie gym became problematic. We could only issue limited tickets (today that would translate into roughly two tickets per family), there was no air conditioning, and the sheer number of people created an uncomfortable and difficult situation. We began to investigate other options and decided on the field house at Lyons Township High School, South Campus. This allowed the opportunity for air conditioning, families being able to attend without worries of tickets, and a sense of moving forward for our students as almost all of them would be attending LT as freshman. While many of us miss the friendly confines of Gurrie, this venue provides a positive and more comfortable graduation ceremony.

Each year, I have sent home information stating what our expectations for behavior at the ceremony is, and it is restated again that evening before students receive their diplomas. In the past, some people in the audience chose to ignore those expectations and mildly disrupted the ceremony with movement, allowing unsupervised children to move around the bleachers, and yelling and applauding loudly during the time when students' names were announced and diplomas awarded.

While we want everyone to be able to recognize the accomplishments of their child, grandchild, brother, sister or friend, it is vital that those in attendance follow our expectations for this distinguished ceremony, so that everyone can hear and enjoy their graduate's special moment.

We have discussed and investigated a variety of ideas to address our concerns and decided on the following expectations:

- all audience members, including children, are to stay seated with their family for the entire ceremony
 - standing and moving around blocks the view for other audience members
 - if you do not think that your children can sit through the hour or so program, please do not bring them to the graduation ceremony
- if you feel the need to bring balloons to the graduation, you will be asked to store them along the north wall of the Field House during the ceremony and you can pick them up on the way out of the building

"Be Respectful, Be Ready, Be Safe."

- no one should get up and take pictures during the diploma distribution
 - please take pictures before or after the ceremony outside or in the commons
 - during the ceremony, you may take pictures while staying seated
 - do not approach the stage to get a picture
 - we will have a professional photographer on the stage taking pictures of each student as they receive their diplomas
- audience members will refrain from any behaviors that will detract from the dignity of the ceremony
 - please refrain from yelling, shouting, or other noises during the ceremony and in particular, when students names are read off to receive their diploma

We feel these expectations allow for a more respectful and enjoyable ceremony. Please contact me with any questions or concerns.

Ed Hood

Escuela Intermedia Gurrie: Empoderando estudiantes a perseguir sus intereses, talentos y sueños

Abril, 2018

Estimadas Familias de Gurrie,

Durante los últimos diez años, el número de estudiantes de Gurrie ha crecido considerablemente. A medida que continuamos creciendo, hemos visto cómo problemático la celebración de la ceremonia de graduación en el gimnasio de Gurrie. Sólo podíamos expedir un número limitado de boletas (que se traduciría hoy en día a tan solo dos entradas por familia), no contábamos con aire acondicionado, y el gran número de personas creaba una situación incómoda y difícil. Empezamos a investigar otras opciones y optamos por las instalaciones atléticas de la sede sur de la Escuela Secundaria Lyons Township. Esto nos permite contar con aire acondicionado, permitir a las familias asistir sin preocupaciones de restricciones de boletas, y una sensación de continuidad para nuestros estudiantes ya que casi todos ellos estarán asistiendo a LT como estudiante de primer año de secundaria. Mientras que muchos de nosotros extrañamos los amistosos límites de Gurrie, este lugar proporciona un espacio positivo y más cómodo para la ceremonia de graduación.

Cada año, he enviado a las casas información indicando nuestras expectativas de comportamiento en la ceremonia, y se reafirman de nuevo esa noche antes de que los estudiantes reciban sus diplomas. En el pasado, algunas personas de la audiencia optaron por ignorar esas expectativas e interrumpieron ligeramente la ceremonia con sus movimientos, permitiendo a los niños moverse sin supervisión en las tribunas, gritando y aplaudiendo fuertemente durante el momento en que los nombres de los estudiantes son anunciados y durante la entrega de los diplomas.

Si bien queremos que todos puedan reconocer los logros de sus hijos, nietos, hermanos o amigos, es vital que los asistentes sigan nuestras expectativas para esta distinguida ceremonia, para que todos puedan escuchar y disfrutar el momento especial de su graduado.

Hemos discutido e investigado una variedad de ideas para manejar nuestras preocupaciones y hemos decidido fijar las siguientes expectativas:

- Todos los miembros del público, incluidos los niños, deben permanecer sentados con sus familias durante toda la ceremonia.
 - Ponerse de pie y estar moviéndose bloquea la vista de otros miembros del público.
 - Si usted piensa que sus niños no pueden permanecer sentados durante más o menos una hora de la duración del programa, por favor no los traiga a la ceremonia de graduación.

“Se Respetuoso, Está Listo, Permanece Seguro.”

Escuela Intermedia Gurrie: Empoderando estudiantes a perseguir sus intereses, talentos y sueños

- Si usted desea traer globos a la graduación, se le pedirá que los guarde a lo largo de la pared norte de las instalaciones atléticas durante la ceremonia y podrá luego recogerlos cuando vaya saliendo del edificio.
- Nadie debe ponerse de pie para tomar fotografías durante la entrega de diplomas
 - Por favor tomen sus fotos antes o después de la ceremonia afuera o en las áreas comunes
 - Durante la ceremonia, pueden tomar fotografías permaneciendo sentados.
 - No se acerquen al escenario para tomar fotografías
 - Tendremos un fotógrafo profesional en el escenario tomando fotos de cada estudiante a medida que reciban sus diplomas
- Los miembros del público deberán abstenerse de cualquier conducta que perturbe la solemnidad de la ceremonia.
 - Por favor absténganse de gritar o de hacer otros ruidos durante la ceremonia y en particular, al leer los nombres de los estudiantes que reciben su diploma

Sentimos que estas expectativas permitirán una ceremonia más respetuosa y agradable. Si tienen cualquier pregunta o inquietud con este respecto, sírvanse ponerse en contacto conmigo.

Respetuosamente,
