

We Make a Difference

Sagawau Learning Center

Dear Parents,

As the year continues, Gurrie is still committed to our theme of "WE Make a Difference". One of the ways we are continuing to encourage our students to make a difference is through service hours. To do our part, 7th graders will participate in a service project to help restore the environment. This restoration project is one way students can volunteer their time and make a difference. Please read the details below that summarize the **IMPORTANT INFORMATION**.

Thank you for your support.

Team 7

WHEN: Tuesday, Sept. 18th

Each group will be gone for about 2 hours. Students will be divided into 3 groups based on their Advisory. Your child will be told when they are going on the trip during MP.

WHERE: Sagawau Environmental Learning Center at 12545 West 111th St, Lemont, IL 60439

PURPOSE: To remove invasive species from local forest preserves. On this trip we are removing the invasive plants, Buckthorn and Honeysuckle.

Lunch: Students will not be at school during the regular lunch time. Each student needs to bring a lunch, including something to drink.

HOW TO DRESS: Please dress appropriately for the weather and for working outside. Although the weather may still be warm, layers work best. We will be outside in the forest preserve for this activity. Regardless of the temperature, pants, socks, and gym shoes or boots must be worn. If possible, students may want to bring a pair of working gloves.

WEATHER: The trip may be canceled due to severe weather.

IMPORTANT: Students will not be allowed to participate in this service project if they do not come dressed appropriately for the activity. See the above guidelines or call your child's advisor if you have any questions.

Attention parents:

On Wednesday, September 26th, photo retakes will be taken in the morning beginning at 8:30.

Students who were absent on the day pictures were taken will be photographed at this time regardless of whether or not they wish to purchase a photo package. These photos will be used on the students' IDs for next year, and also in the yearbook.

Students who were photographed on the original picture day and who wish to have a retake **must** return their original packages to the office by Wednesday morning. We must know who is having a retake ahead of time, so that we can call them down.

If you have any questions please call the Gurrie office at 482-2720.

September, 2018

Dear Parents and Guardians,

As our students become settled into the new school year, and cold and flu season approaches, our health services staff would like to update the school community regarding health and wellness policies in LaGrange School District 105.

In an effort to keep our classrooms healthy, families are reminded to keep students home under the following circumstances:

- When a student has a temperature of 100 degrees or above. Families should not give a student a fever-reducing medication and then send him, or her to school. However, the district is no longer requiring students to remain home for 24 hours after the temperature returns to normal. The district has updated practices to align with the recommendations of the Illinois State Board of Education, Cook County Department of Public Health and the American Academy of Pediatrics.
- When a student presents with vomiting and/or diarrhea. Students should be kept home with these symptoms for at least 24 hours after the last occurrence.
- When a student presents with a rash that has not been checked by a doctor. A doctor's note is required for students who return to school with a rash.
- When a student presents with red, pink, crusty, or irritated eyes. A doctor's note is required noting that the student is cleared for school attendance if returning with these symptoms.
- When a student presents with symptoms of severe coughing, a cold, a sore throat, earache, or a stomachache that will make it difficult for the student to participate comfortably in their academic day.

In the event that your student becomes ill during the school day and needs to be sent home, it is important that you have updated family contact information in the school office. When calling your student in sick to the school office, please be prepared to share your student's symptoms and a doctor's diagnosis when appropriate. This information helps us to track vital health information that may be helpful in planning for targeted disinfections in the school building or reporting to local health agencies.

Thank you for your attention to these policies and helping to keep our student community healthy.

Sincerely,

Shelby Raney, R.N.

Septiembre, 2018

Estimados Padres de Familia y Guardianes Legales,

A medida que nuestros estudiantes se ajustan al nuevo año escolar, y la temporada de resfriados y gripe se acerca, a nuestros empleados de servicios de salud les gustaría actualizar a la comunidad escolar acerca de las políticas de bienestar y salud en el Distrito Escolar 105 de LaGrange.

En un esfuerzo por mantener nuestros salones de clases saludables, se les recuerda a las familias mantener a sus estudiantes en casa bajo las siguientes circunstancias:

- Cuando el estudiante tenga una temperatura de 100.0 o más grados. No se le debe dar al estudiante un medicamento para reducir la fiebre y después mandarlo así a la escuela. Sin embargo, el distrito ya no requiere que el estudiante permanezca en casa 24 horas después de que la temperatura se haya normalizado. El distrito ha actualizado sus prácticas para alinearlas con las recomendaciones de la Junta de Educación del Estado de Illinois, el Departamento de Salud Pública del Condado de Cook y de la Academia Americana de Pediatría.
- Cuando un estudiante tiene vomito y/o diarrea. El estudiante con estos síntomas debe permanecer en casa por lo menos 24 horas después del último incidente.
- Cuando el estudiante presenta un brote/sarpullido que no ha sido revisado por un doctor. Se requiere de una nota del doctor para un estudiante que regrese a la escuela con un brote/sarpullido.
- Cuando el estudiante tiene conjuntivitis, ojos irritados, rojos y lagañosos. Se requiere una nota del doctor certificando que el estudiante ha sido autorizado para volver a la escuela si ha de volver con estos síntomas presentes.
- Cuando el estudiante presenta síntomas de toz severa, resfriado, dolor de garganta, dolor de oído, o dolor de estómago que dificultarían la participación cómoda del estudiante en su día académico.

En el evento que su estudiante se enferme durante el día escolar, y sea necesario enviarlo a casa, es importante que usted haya actualizado su información de contacto familiar con la oficina de la escuela. Cuando llame a la oficina a reportar enfermedad de su estudiante, por favor esté preparado para indicar los síntomas y el diagnóstico del doctor de ser apropiado. Esta información nos ayuda a hacer un seguimiento vital de información de salud que podría ser útil en la planeación de desinfecciones focalizadas en el edificio de la escuela o para reportarla a las agencias locales de salud.

Gracias por su atención a estas políticas y por ayudarnos a mantener saludable a nuestra comunidad estudiantil.

Sinceramente,

Shelby Raney, R.N.

LEAGUE OF WOMEN VOTERS® OF THE LA GRANGE AREA

League of Women Voters® of Illinois to launch Illinois Voter Guide

The League of Women Voters® of Illinois (LWVIL) is set to launch their Illinois Voter Guide on October 1, 2018. The guide, available at www.IllinoisVoterGuide.org, empowers voters across the state to access candidate information up and down the ballot in every precinct. Voters can find their ballot, learn about candidates, and print out their choices so they are prepared when they vote. The Illinois Voter Guide will function as an online voter tool to provide critical information about what's on the ballot in national, state and local elections.

The Illinois Voter Guide will offer residents comprehensive information and the ability for local Leagues to add specific local election details and information from sources that may not be available online.

For more information, email us at league@lagrangearealwv.org. Visit our website at www.lagrangearealwv.org.

D105's 5th Annual
**BACK-TO-SCHOOL
FAMILY NIGHT**

FRIDAY SEPTEMBER 14th 6 - 9 PM @ GURRIE!

FOOD BY Q-BBQ + OUTDOOR MOVIE (COCO) + MUSIC + ENTERTAINMENT!

Welcome back to school D105 students & families! This time of year also brings us another **Back-to-School Family Celebration Night** in D105! This is our fifth year of celebrating our wonderful school district community and kicking off another amazing school year together. Please come join us on the evening of Friday, September 14th, from 6-9pm, as our District 105 Foundation presents a fun-filled night for all of our families. This year we will once again have great music, magic and balloons, delicious QBBQ food, and an OUTDOOR movie - *Coco*! (Weather permitting, of course.) This year's event will take place at Gurrie Middle School.

Q BBQ in La Grange will again be providing meals at a cost of \$6.00 per person. The Foundation will provide water, District guidelines prohibit any alcoholic beverages at this event.

We will be showing the movie outside and families are encouraged to bring chairs and blankets. In case of rain, we will move the movie into the large gym.

¡Bienvenidos de regreso a la escuela todos los estudiantes y las familias del Distrito 105! ¡Esta parte del año también nos trae otra **Noche de Celebración en Familia el -Regreso-a-la-Escuela** en el D105! Este es nuestro quinto año celebrando nuestra maravillosa comunidad del distrito escolar 105 y darle juntos la bienvenida a otro año escolar increíble. Por favor vengan y acompáñenos el viernes, 14 de septiembre, de las 6 a las 9 pm. La Fundación del Distrito 105 proveerá una noche muy divertida para todas nuestras familias. Este año tendremos una vez más, música muy buena, magia y globos, comida deliciosa de **QBBQ**, y una película AFUERA -presentaremos **Coco**! (si el clima lo permite, por supuesto). Este evento será en la Escuela Gurrie.

Q BBQ en La Grange proveerá una vez más la comida a un costo de \$6.00 por persona. La Fundación proveerá agua. Las reglas del Distrito prohíben cualquier bebida alcohólica en este evento.

Vamos a mostrar la película afuera y animamos a las familias a traer sillas y cobijas. En caso de lluvia, vamos a mover la película al gimnasio grande.

Junior Lion Club Card

2018-2019

The Junior Lion Club card entitles one student and his/her parent or guardian to free admittance to most Lyons Township High School athletic events. Consult the LTHS website for sports schedules and event dates. Some exclusions may apply. All students must be accompanied by a parent or guardian. No parent or guardian will be admitted free unless accompanied by a student.

Families can also check the LT website at www.lths.net and click on the **CALENDAR** link for all sports, fine arts and activity schedules. They may call the Athletic Office Hotline at 708-579-6140 ext. LION for the most up to date athletic events.

Please print this flyer, fill out and clip the 2018-2019 Jr. Lion Club Card and present it for free admission. All students must be accompanied by a parent or guardian.

**DETAILS ON THE
BACK**

D105 CARE CLOSET

**ACCEPTING
DONATIONS
ALL YEAR**

In the fall of 2017, Seventh Avenue opened a *Community Closet* because we understand that students cannot be expected to do their best in school until their basic needs are met. The Closet collects and provides families with access to winter hats and gloves/mittens, gently used winter jackets, food, and personal hygiene supplies. This summer we renamed this resource to the **D105 Care Closet** and have expanded access to all D105 families. Please take some time to read the information provided below.

Over the 2017-18 school year, and during this past summer over 45 boxes of food and supplies were provided to D105 families. The *D105 Care Closet* uses no taxpayer dollars. We are hopeful that we can come together as a District to fill the shelves of this closet for the start of the school year. Families are identified by either the school social worker or D105 administrators. Families work closely with the building social worker to identify what supports or resources are needed, and provide access to the D105 Care Closet.

How can YOU help?

You can participate in this important district initiative in several ways:

- **Share** information about the *D105 Care Closet* with your friends and family.
- **Donate** the following food items (check expiration dates before donating): fruit cups, pasta/noodles, crackers, granola bars, chicken noodle soup, Spagettios, and cereal.
**We are getting ready to add a freezer to our storage room and will be asking for donations of chicken nuggets, cheese pizza, and Gogurts in the near future.
- **Donate** laundry detergent, shampoo, conditioner, body soap, tooth paste and deodorant.
- **Host** your own winter gear (new hats and gloves/gently used winter coats) drive at your school, church, etc. and donate the clothes to the D105 Care Closet.

Where can I drop off donated items?

You can drop off the items at any District 105 school or office. Please label the boxes or bags "**D105 Cares Closet— Seventh Avenue School**". For more information, contact Charlotte Arcus at carcus@d015.net or at (708) 482 - 2730.
