Dear D105 parents and guardians,

District 105 annually seeks feedback from all stakeholders by surveying our students, staff, and parents. This process has taken place in D105 for more than 10 years, and the feedback we receive is invaluable. Annual survey results provide our administration and Board of Education with information to celebrate our success and problem solve our challenges.

Every other year, D105 administers a statewide survey called **5Essentials: Organizing Schools for Improvement**. This survey gives our families the opportunity to provide feedback to our schools and district, as well as help us create an even stronger community. The purpose of the survey is to measure the “five essential” qualities of successful schools. These qualities include *Effective Leaders, Collaborative Teachers, Involved Families, Supportive Environment, and Ambitious Instruction*.

The survey should take about 10 minutes to complete, and we must have at least 20 percent of our families at each school submit a survey in order to receive the results from the state. If you have more than one child attending a D105 school, you are able to complete the survey more than once. If you have children in more than one D105 school, I encourage you to complete the survey for each school.

**In order to complete the survey, please go to the 5Essentials website (listed below) or find the link to the site on our D105 webpage. The survey is available in English and Spanish.**

<https://survey.5-essentials.org/illinois/>

The results of these surveys will be shared with the D105 Board of Education and posted on our district webpage. The results will also be included on our school report cards that are issued by the State of Illinois. For the first time, these results will impact the ratings of our schools. Because of this, it is even more critical that we receive feedback from the vast majority of our families.

Thank you in advance for taking the time to complete this survey. The feedback we receive will provide us with information that will allow us to remain on a path of continuous improvement and strengthen the **D105 Difference**

Sincerely,

Steve Bahn  
Superintendent

Enero 16,2019

Estimados padres y tutores del D105,

El Distrito 105 anualmente busca opiniones de todos los interesados al encuestar a nuestros estudiantes, personal y padres. Este proceso ha tenido lugar en D105 durante más de 10 años, y los comentarios que recibimos son invaluable. Los resultados de la encuesta anual brindan a nuestra administración y a la Junta de Educación información para celebrar nuestros éxitos y resolver nuestros problemas.

Cada otro año, el Distrito 105 administra una encuesta estatal llamada **5Essentials: Organizar las Escuelas para la Mejora**. Esta encuesta les da la oportunidad a nuestras familias de darnos su reacción a las escuelas y el distrito, y también ayudarnos a crear una comunidad aún más fuerte. El propósito de la encuesta es medir las "cinco cualidades esenciales" de las escuelas exitosas. Estas cualidades incluyen *Líderes Efectivos, Maestros Colaborativos, Familias Involucradas, Ambiente de Apoyo e Instrucción Ambiciosa*.

La encuesta le tomara unos 10 minutos para completar, y debemos tener al menos el 20 por ciento de nuestras familias en cada escuela que completen la encuesta para recibir los resultados del estado. Si tiene más de un hijo (a) asistiendo a una escuela en el distrito 105, puede completar la encuesta más de una vez. Si tiene hijos en más de una escuela en el Distrito 105, les pido el favor que completen la encuesta para cada escuela.

**Para completar la encuesta, visite el sitio web de 5Essentials (que se detalla a continuación) o encuentre el enlace en la página web de D105. La encuesta está disponible en inglés y español.**

<https://survey.5-essentials.org/illinois/>

Los resultados de estas encuestas se compartirán con la Junta de Educación D105 y se publicarán en la página web de nuestro distrito. Los resultados también se incluirán en las boletas de calificaciones escolares emitidas por el Estado de Illinois. Por primera vez, estos resultados impactarán las valuaciones de nuestras escuelas. Debido a esto, es aún más crítico que recibamos comentarios de la gran mayoría de nuestras familias.

Gracias de antemano por tomar el tiempo para completar esta encuesta. Los comentarios que recibimos nos brindarán información que nos permitirá permanecer en un camino de mejora continua y fortalecer la **Diferencia D105**.

Sinceramente,

Steve Bahn  
Superintendente

**GURRIE MIDDLE SCHOOL**  
EMPOWERING STUDENTS TO  
PURSUE THEIR INTERESTS,  
TALENTS AND DREAMS

Dear GMS Families,

It's time for the **Gurrie Winter Raffle** and we need your help! Our goal is to raise \$4,000 for new seating for the Learning Library Center. ***This is our biggest fundraiser of the year and we want 100% participation this year!*** Here's how it works:

- Students request \$5 donations from family, friends and neighbors
- For each \$5 donation turned in, the student earns one raffle ticket. Over 100 prizes this year with awesome rewards like homework passes, free lunches from teachers, and gift cards to local businesses
- There will be three raffle drawings in February and March. The more \$5 donations kids bring in, the more chances to win!
- **We are also seeking donations from parents to use as prizes. Last year Xbox, iTunes, Target, Starbucks, Dunkin Donuts and other local gift cards were popular. Please contact us directly if you would like to donate prizes – anything would be appreciated.**
- Donations directly to the school are also welcome. Make checks payable to District 105 PTO.

Past ***\$5ForKids Winter Raffles*** campaigns have funded a "Genius Bar", 3-D printers, television monitors for the fitness gym and books for the library, to name a few. This year we are raising money for library bench seating – an awesome gathering place in the Library Learning Center that will be used by students to work on projects collaboratively or individually.

Your student will bring home a letter with information about how to collect donations for raffle tickets. Donations to District 105 PTO (in support of GMS) are tax-deductible, EIN #47-4229898 for tax purposes. **Please contact us if you would like to donate a prize or cash donation.**

Thank you for making Gurrie a great place to learn!
