Gurrie Middle School: Empowering students to pursue their interests, talents and dreams.

April 2019

Dear Parents and Guardians,

All fifth- and eighth-graders and some high school students will begin taking the Illinois Science Assessment (ISA) March 1. The ISA aligns with our new [Illinois Learning Standards](#) in science. This assessment helps families understand how well students are performing academically and see whether they are on track to succeed in college. The ISA represents Illinois' commitment to preparing all students for college and careers, including in the high-demand science, technology, engineering, and mathematics (STEM) fields. The assessment also satisfies federal accountability requirements.

The ISA is designed to reflect classroom experiences. Many students who took the assessment last year said the ISA seemed more like instruction than a test. Students do not simply select an answer and fill in the bubble of a multiple-choice test. Rather, the ISA pushes students to apply their knowledge when they give answers, thus better preparing them for higher education and a career. All students deserve the opportunity to demonstrate what they know; they get to see how knowledge is applied to real-life situations.

The ISA is an hour-long summative assessment. The results provide administrators with important data to help them make broad curriculum decisions at the school and district levels. But classroom educators will not use the results to make teaching adjustments year-to-year for individual students.

We encourage you to talk with your children about the importance of doing their best on the ISA, while communicating that the assessment yields only one piece of information about them and their school's progress. Students' attendance, classroom work, homework, projects, performance on local tests, participation in sports and extracurricular activities, and contributions to the school's climate and culture all help them grow and learn.

We all work together to ensure Illinois students build a cohesive understanding of science over time. Thank you for your role in developing lifelong learners and successful citizens.

8th grade students at Gurrie will take the assessment on Tuesday, April 30.

Gurrie Middle School: Empowering students to pursue their interests, talents and dreams.

April, 2019

Dear Gurrie Families,

Over the past ten years, Gurrie's student population has grown considerably. As we continued to grow, we found that holding the graduation ceremony in the Gurrie gym became problematic. We could only issue limited tickets (today that would translate into roughly two tickets per family), there was no air conditioning, and the sheer number of people created an uncomfortable and difficult situation. We began to investigate other options and decided on the field house at Lyons Township High School, South Campus. This allowed the opportunity for air conditioning, families being able to attend without worries of tickets, and a sense of moving forward for our students as almost all of them would be attending LT as freshman. While many of us miss the friendly confines of Gurrie, this venue provides a positive and more comfortable graduation ceremony.

Each year, I have sent home information stating what our expectations for behavior at the ceremony is, and it is restated again that evening before students receive their diplomas. In the past, some people in the audience chose to ignore those expectations and mildly disrupted the ceremony with movement, allowing unsupervised children to move around the bleachers, and yelling and applauding loudly during the time when students' names were announced and diplomas awarded.

While we want everyone to be able to recognize the accomplishments of their child, grandchild, brother, sister or friend, it is vital that those in attendance follow our expectations for this distinguished ceremony, so that everyone can hear and enjoy their graduate's special moment.

We have discussed and investigated a variety of ideas to address our concerns and decided on the following expectations:

- all audience members, including children, are to stay seated with their family for the entire ceremony
 - standing and moving around blocks the view for other audience members
 - if you do not think that your children can sit through the hour or so program, please do not bring them to the graduation ceremony
- if you feel the need to bring balloons to the graduation, you will be asked to store them along the north wall of the Field House during the ceremony and you can pick them up on the way out of the building

- no one should get up and take pictures during the diploma distribution
 - please take pictures before or after the ceremony outside or in the commons
 - during the ceremony, you may take pictures while staying seated
 - do not approach the stage to get a picture
 - we will have a professional photographer on the stage taking pictures of each student as they receive their diplomas
- audience members will refrain from any behaviors that will detract from the dignity of the ceremony
 - please refrain from yelling, shouting, or other noises during the ceremony and in particular, when students names are read off to receive their diploma

We feel these expectations allow for a more respectful and enjoyable ceremony. Please contact me with any questions or concerns.

Ed Hood

Escuela Intermedia Gurrie: Empoderando estudiantes a perseguir sus intereses, talentos y sueños

Abril, 2019

Estimadas Familias de Gurrie,

Durante los últimos diez años, el número de estudiantes de Gurrie ha crecido considerablemente. A medida que continuamos creciendo, hemos visto cómo problemático la celebración de la ceremonia de graduación en el gimnasio de Gurrie. Sólo podíamos expedir un número limitado de boletas (que se traduciría hoy en día a tan solo dos entradas por familia), no contábamos con aire acondicionado, y el gran número de personas creaba una situación incómoda y difícil. Empezamos a investigar otras opciones y optamos por las instalaciones atléticas de la sede sur de la Escuela Secundaria Lyons Township. Esto nos permite contar con aire acondicionado, permitir a las familias asistir sin preocupaciones de restricciones de boletas, y una sensación de continuidad para nuestros estudiantes ya que casi todos ellos estarán asistiendo a LT como estudiante de primer año de secundaria. Mientras que muchos de nosotros extrañamos los amistosos límites de Gurrie, este lugar proporciona un espacio positivo y más cómodo para la ceremonia de graduación.

Cada año, he enviado a las casas información indicando nuestras expectativas de comportamiento en la ceremonia, y se reafirman de nuevo esa noche antes de que los estudiantes reciban sus diplomas. En el pasado, algunas personas de la audiencia optaron por ignorar esas expectativas e interrumpieron ligeramente la ceremonia con sus movimientos, permitiendo a los niños moverse sin supervisión en las tribunas, gritando y aplaudiendo fuertemente durante el momento en que los nombres de los estudiantes son anunciados y durante la entrega de los diplomas.

Si bien queremos que todos puedan reconocer los logros de sus hijos, nietos, hermanos o amigos, es vital que los asistentes sigan nuestras expectativas para esta distinguida ceremonia, para que todos puedan escuchar y disfrutar el momento especial de su graduado.

Hemos discutido e investigado una variedad de ideas para manejar nuestras preocupaciones y hemos decidido fijar las siguientes expectativas:

- Todos los miembros del público, incluidos los niños, deben permanecer sentados con sus familias durante toda la ceremonia.
 - Ponerse de pie y estar moviéndose bloquea la vista de otros miembros del público.
 - Si usted piensa que sus niños no pueden permanecer sentados durante más o menos una hora de la duración del programa, por favor no los traiga a la ceremonia de graduación.

Escuela Intermedia Gurrie: Empoderando estudiantes a perseguir sus intereses, talentos y sueños

- Si usted desea traer globos a la graduación, se le pedirá que los guarde a lo largo de la pared norte de las instalaciones atléticas durante la ceremonia y podrá luego recogerlos cuando vaya saliendo del edificio.

- Nadie debe ponerse de pie para tomar fotografías durante la entrega de diplomas
 - Por favor tomen sus fotos antes o después de la ceremonia afuera o en las áreas comunes
 - Durante la ceremonia, pueden tomar fotografías permaneciendo sentados.
 - No se acerquen al escenario para tomar fotografías
 - Tendremos un fotógrafo profesional en el escenario tomando fotos de cada estudiante a medida que reciban sus diplomas

- Los miembros del público deberán abstenerse de cualquier conducta que perturbe la solemnidad de la ceremonia.
 - Por favor absténganse de gritar o de hacer otros ruidos durante la ceremonia y en particular, al leer los nombres de los estudiantes que reciben su diploma

Sentimos que estas expectativas permitirán una ceremonia más respetuosa y agradable. Si tienen cualquier pregunta o inquietud con este respecto, sírvanse ponerse en contacto conmigo.

Respetuosamente,

Ed Hood
