Dear 8<sup>th</sup> Grade Parents,

## Book and Library Fines, Lunch Balances....

Your son or daughter has been, or will be notified regarding any fines for damaged or lost books, library book fines, Chromebook service or replacements, or other associated fees (lunchroom balances, field trip balances, gown fee, etc.) that may be outstanding. 8<sup>th</sup> graders need to clear these balances prior to graduation (by Friday, May 24th). Check with your child to see if there is anything that needs to be paid and if you have any questions, please call the office or your child's advisor(s). Thank you for your attention to this.

## Graduation Ceremony and Expectations

Graduation is Tuesday, May 28th at 7pm. The ceremony will be held at Lyons Township High School, South Campus Field House. **Graduates need to report to South Campus Field House no later than 6:30pm in their gown.** The ceremony will begin promptly at 7:00pm. Gowns are rentals and need to be returned right after the ceremony.

On Tuesday, May 28th, all eighth graders should report to school at the normal arrival time. We will have a variety of activities that morning then travel to LT and hold graduation practice for the ceremony at approximately 12:45. As in the past, the Duane Caylor, Doreen Duncan, American Legion, Faculty, and Daughters of the American Revolution Awards will be presented at the graduation ceremony. After practice at LT, report cards will be distributed and students will then be driven back to Gurrie and dismissed when we return. We anticipate returning to GMS by 2:30 and dismissing. Dismissal time may be slightly earlier if the practice goes smoothly or later, if the students require more time for rehearsal. We will have normal bus service from Gurrie to home after we return from LT for students who take the bus.

Over the past few weeks in the weekly envelope we have sent information on special seating requests at graduation. Weekly envelopes and the seating letter are posted on our website and we will continue to send this home. Please complete the form and return to the office no later than May 22nd. No tickets are required for graduation.

LT South Campus is located at 4900 Willow Springs Road, Western Springs. Please park in the parking lot on the north side of the property. Students will need to report to the doors by the swimming pool for preparation and line up (no later than 6:30). We ask that all others please enter through the west doors around the corner from the pool. These doors will lead you to the field house where the ceremony will take place.

As I do each year at the ceremony, I ask that when we are reading the names of the graduates the audience refrain from applause, whistling, or other noises as students are being called for their diplomas. Please hold the applause until all the students have been called. This will ensure that

April 2019

Dear Parents and Guardians,

All fifth- and eighth-graders and some high school students will begin taking the Illinois Science Assessment (ISA) March 1. The ISA aligns with our new [Illinois Learning Standards](#) in science. This assessment helps families understand how well students are performing academically and see whether they are on track to succeed in college. The ISA represents Illinois' commitment to preparing all students for college and careers, including in the high-demand science, technology, engineering, and mathematics (STEM) fields. The assessment also satisfies federal accountability requirements.

The ISA is designed to reflect classroom experiences. Many students who took the assessment last year said the ISA seemed more like instruction than a test. Students do not simply select an answer and fill in the bubble of a multiple-choice test. Rather, the ISA pushes students to apply their knowledge when they give answers, thus better preparing them for higher education and a career. All students deserve the opportunity to demonstrate what they know; they get to see how knowledge is applied to real-life situations.

The ISA is an hour-long summative assessment. The results provide administrators with important data to help them make broad curriculum decisions at the school and district levels. But classroom educators will not use the results to make teaching adjustments year-to-year for individual students.

We encourage you to talk with your children about the importance of doing their best on the ISA, while communicating that the assessment yields only one piece of information about them and their school's progress. Students' attendance, classroom work, homework, projects, performance on local tests, participation in sports and extracurricular activities, and contributions to the school's climate and culture all help them grow and learn.

We all work together to ensure Illinois students build a cohesive understanding of science over time. Thank you for your role in developing lifelong learners and successful citizens.

8<sup>th</sup> grade students at Gurrie will take the assessment on Tuesday, April 30.

Dear Families of Year 2019 Graduates,

If you need special seating for the ceremony, i.e. wheelchair bound or elderly, please return the form at the bottom of this letter indicating what type of special seating you require. We will make every attempt to seat those requiring special seating with or near their families, however, situations may arise where this will not be possible. Please take this possibility into consideration when requesting special seating. **Please return this form only if you require special seating.**

You may send in your request at any time between now and May 24<sup>th</sup>.

April, 2019

Dear Gurrie Families,

Over the past ten years, Gurrie's student population has grown considerably. As we continued to grow, we found that holding the graduation ceremony in the Gurrie gym became problematic. We could only issue limited tickets (today that would translate into roughly two tickets per family), there was no air conditioning, and the sheer number of people created an uncomfortable and difficult situation. We began to investigate other options and decided on the field house at Lyons Township High School, South Campus. This allowed the opportunity for air conditioning, families being able to attend without worries of tickets, and a sense of moving forward for our students as almost all of them would be attending LT as freshman. While many of us miss the friendly confines of Gurrie, this venue provides a positive and more comfortable graduation ceremony.

Each year, I have sent home information stating what our expectations for behavior at the ceremony is, and it is restated again that evening before students receive their diplomas. In the past, some people in the audience chose to ignore those expectations and mildly disrupted the ceremony with movement, allowing unsupervised children to move around the bleachers, and yelling and applauding loudly during the time when students' names were announced and diplomas awarded.

While we want everyone to be able to recognize the accomplishments of their child, grandchild, brother, sister or friend, it is vital that those in attendance follow our expectations for this distinguished ceremony, so that everyone can hear and enjoy their graduate's special moment.

We have discussed and investigated a variety of ideas to address our concerns and decided on the following expectations:

- all audience members, including children, are to stay seated with their family for the entire ceremony
  - standing and moving around blocks the view for other audience members
  - if you do not think that your children can sit through the hour or so program, please do not bring them to the graduation ceremony
- if you feel the need to bring balloons to the graduation, you will be asked to store them along the north wall of the Field House during the ceremony and you can pick them up on the way out of the building

*Gurrie Middle School: Empowering students to pursue their interests, talents and dreams.*

- no one should get up and take pictures during the diploma distribution
  - please take pictures before or after the ceremony outside or in the commons
  - during the ceremony, you may take pictures while staying seated
    - do not approach the stage to get a picture
    - we will have a professional photographer on the stage taking pictures of each student as they receive their diplomas
- audience members will refrain from any behaviors that will detract from the dignity of the ceremony
  - please refrain from yelling, shouting, or other noises during the ceremony and in particular, when students names are read off to receive their diploma

We feel these expectations allow for a more respectful and enjoyable ceremony. Please contact me with any questions or concerns.

Respectfully,

Ed Hood

*Escuela Intermedia Gurrie: Empoderando estudiantes a perseguir sus intereses, talentos y sueños*

Abril, 2019

Estimadas Familias de Gurrie,

Durante los últimos diez años, el número de estudiantes de Gurrie ha crecido considerablemente. A medida que continuamos creciendo, hemos visto cómo problemático la celebración de la ceremonia de graduación en el gimnasio de Gurrie. Sólo podíamos expedir un número limitado de boletas (que se traduciría hoy en día a tan solo dos entradas por familia), no contábamos con aire acondicionado, y el gran número de personas creaba una situación incómoda y difícil. Empezamos a investigar otras opciones y optamos por las instalaciones atléticas de la sede sur de la Escuela Secundaria Lyons Township. Esto nos permite contar con aire acondicionado, permitir a las familias asistir sin preocupaciones de restricciones de boletas, y una sensación de continuidad para nuestros estudiantes ya que casi todos ellos estarán asistiendo a LT como estudiante de primer año de secundaria. Mientras que muchos de nosotros extrañamos los amistosos límites de Gurrie, este lugar proporciona un espacio positivo y más cómodo para la ceremonia de graduación.

Cada año, he enviado a las casas información indicando nuestras expectativas de comportamiento en la ceremonia, y se reafirman de nuevo esa noche antes de que los estudiantes reciban sus diplomas. En el pasado, algunas personas de la audiencia optaron por ignorar esas expectativas e interrumpieron ligeramente la ceremonia con sus movimientos, permitiendo a los niños moverse sin supervisión en las tribunas, gritando y aplaudiendo fuertemente durante el momento en que los nombres de los estudiantes son anunciados y durante la entrega de los diplomas.

Si bien queremos que todos puedan reconocer los logros de sus hijos, nietos, hermanos o amigos, es vital que los asistentes sigan nuestras expectativas para esta distinguida ceremonia, para que todos puedan escuchar y disfrutar el momento especial de su graduado.

Hemos discutido e investigado una variedad de ideas para manejar nuestras preocupaciones y hemos decidido fijar las siguientes expectativas:

- Todos los miembros del público, incluidos los niños, deben permanecer sentados con sus familias durante toda la ceremonia.
  - Ponerse de pie y estar moviéndose bloquea la vista de otros miembros del público.
  - Si usted piensa que sus niños no pueden permanecer sentados durante más o menos una hora de la duración del programa, por favor no los traiga a la ceremonia de graduación.

*Escuela Intermedia Gurrie: Empoderando estudiantes a perseguir sus intereses, talentos y sueños*

- Si usted desea traer globos a la graduación, se le pedirá que los guarde a lo largo de la pared norte de las instalaciones atléticas durante la ceremonia y podrá luego recogerlos cuando vaya saliendo del edificio.
  
- Nadie debe ponerse de pie para tomar fotografías durante la entrega de diplomas
  - Por favor tomen sus fotos antes o después de la ceremonia afuera o en las áreas comunes
  - Durante la ceremonia, pueden tomar fotografías permaneciendo sentados.
    - No se acerquen al escenario para tomar fotografías
    - Tendremos un fotógrafo profesional en el escenario tomando fotos de cada estudiante a medida que reciban sus diplomas
  
- Los miembros del público deberán abstenerse de cualquier conducta que perturbe la solemnidad de la ceremonia.
  - Por favor absténganse de gritar o de hacer otros ruidos durante la ceremonia y en particular, al leer los nombres de los estudiantes que reciben su diploma

Sentimos que estas expectativas permitirán una ceremonia más respetuosa y agradable. Si tienen cualquier pregunta o inquietud con este respecto, sírvanse ponerse en contacto conmigo.

Respetuosamente,

Ed Hood

Dear Parent of Eighth Grader:

The eighth grade class at Gurrie will be making a class trip to Great America on Thursday, May 23rd. The cost of this trip will be \$36.00 and is due as soon as possible. *From the Principal's Desk.....***About Staff Appreciation.**

Tell a teacher or staff member you care by completing and returning the following Staff Member Commendation Form!

Each of us can think of a special teacher or staff member who has made a positive impact on our lives. Many of us have never expressed our appreciation to those individuals. Others of us have waited years after graduation to do so.

Perhaps you've been pleased by the special way a staff member worked with your student academically, provided emotional support, or assisted in the achievement of a personal goal. Submittal of the completed form that follows can be your way of telling that staff member they are special and appreciated.
