Dear Gurrie Families,

As a reminder, Parent-Teacher-Student Conferences will be held on **November 6th & 14th**, and **February 6th & 13th**. We are excited to announce that D105 will be using an online scheduling service to streamline this process. You will be getting more information about this process soon. To access the online sign up for conferences, you will need to ensure the office has a current email address. For this reason, we are asking that you make sure we have an email address on file in the office that you check regularly. If you have been receiving the *Gurrie Weekly Email* then your email is current and there is no need to fill out this form.

Having the opportunity to meet with each and every parent to discuss your child's progress is extremely important to us. We value your contributions as parents, and look forward to being able to partner with you for your child's success.

If you do not have access to email, please contact the office as soon as possible so we can find an alternative way for you to sign up for a Parent Teacher Conference.

Sincerely,

Ed Hood

If necessary, fill out this portion and return to the Gurrie Office or email this form back to pdlhy@d105.net.

Come learn the 5 key messages that can unlock the potential in your teen and help you develop the type of relationship with your son/daughter that is positive and full of energy. **Yes, it is possible!**

Even in our frenetic world of facebook, twitter, snap chat and instgram, young people still desire the same things they always have. They want to be significant, cared about and secure. As parents, when we deliver consistently growth-oriented messages, our children will thrive and develop grit in a world that is sorely lacking it.

What others are saying about Patrick Donohue...

"Pat Donohue's passion, preparation and energy set him apart as a presenter. He projects confidence, demonstrates a deep knowledge base, and crafts a clear, memorable message. One of his greatest strengths is his use of humor to hook and connect with his audience, winning their trust, inviting them to engage, and then challenging them to action: to think, to speak, to believe. You won't find a more genuine, transparent, or engaging speaker who literally embodies the message, bringing it to life in a way that leaves everyone encouraged and empowered." -Heather Treadway, Founder Dream Chicago

"Pat is an excellent presenter. His workshops are content rich, highly interactive and fun! Using written materials, inspiring videos and real life stories, Pat connects with his participants right where they are and then gives them the encouragement and the practical tools they need to forge ahead in their dreams."

Vengan y aprendan los 5 mensajes principales que pueden "abrir" el potencial en sus hijos y ayudarles a desarrollar el tipo de relación padre/hijo/hija que es positiva y llena de energía. ¡Si, esto es posible!

Aun en el frenético mundo de Facebook, twitter, Snapchat e Instagram, los jóvenes desean las mismas cosas que siempre han tenido. Ellos desean ser importantes, que se preocupen por ellos y estar seguros. Como padres, cuando entregamos consistentemente mensajes orientados al crecimiento, nuestros niños prosperaran y desarrollaran determinación en un mundo en el que tristemente no hay.

Lo que otros están diciendo sobre Patrick Donohue...

"La pasión, la preparación y la energía de Pat Donohue lo hacen un gran orador. Él proyecta confianza, demuestra una base de conocimientos profunda, y elabora un mensaje claro, y memorable. Una de sus mayores fortalezas es su uso del humor para enganchar y conectar con su público, ganar su confianza, invitarlos a participar, y luego retarlos a la acción: pensar, hablar, creer. Usted no encontrará un orador más genuino, transparente o atractivo que literalmente encarna el mensaje, llevándolo a la vida de una manera que deja a todos alentados y con gran poder". – Heather Treadway, fundadora de "Dream Chicago"

"Pat es un excelente presentador. ¡Sus talleres son ricos en contenido, muy interactivo y divertido! Usando materiales escritos, videos inspiradores e historias de la vida real, Pat conecta con sus participantes justo donde están y luego les da el aliento y las herramientas prácticas que necesitan para avanzar en sus sueños".

November 12 - December 20
Storytimes introduce children to early literacy skills and the Library through a half-hour of stories, activities, and songs. Parents and caregivers also have the opportunity to learn new stories and songs with their children and meet other adults. The toddler storytimes planned for ages 2-3 feature shorter stories and more movement. If your child is ready for longer stories, then come to our preschool storytimes for ages 3-5. Parents and caregivers can choose which storytime is appropriate for their 3-year-old. **R**
Registration is required for all storytimes and programs with a **R** next to their name. Programs marked with a **D** are drop in.
