Attention Gurrie Parents:

Graduation photos will be taken on Friday, January 31st, during the morning. Boys should wear a collared shirt and a tie for the gown pose. Many boys choose to wear a sport coat or a suit jacket for the pose without the gown. This is not mandatory but depends on whether or not a family is interested in purchasing a dress clothes photo. Girls should not wear dresses or sweaters with high necks, and they should avoid wearing heavy make-up. Experience has shown that this is not the time to try out a new hairstyle (for either boys or girls).

Students may change out of their dress clothes after their photos are taken. Therefore students should come to school in their dress clothes.

Proofs will be available within two weeks after photos are taken, and orders may be placed at that time.

All 8th grade students will be photographed, regardless of whether or not they wish to purchase a photo package. These pictures will be used for the graduation class composite that will hang in the hall. Please respect your class and your school by dressing appropriately.

If you have any questions please call the Gurrie office at 482-2720.
