Questions? Tracy Burnside Tracy@go2actionsports.com

Looking for financial help to get your child a shirt? Contact Ed Hood at the Gurrie office—708-482-2720

Attention Gurrie Parents:

Graduation photos will be taken on Friday, January 31st, during the morning. Boys should wear a collared shirt and a tie for the gown pose. Many boys choose to wear a sport coat or a suit jacket for the pose without the gown. This is not mandatory but depends on whether or not a family is interested in purchasing a dress clothes photo. Girls should not wear dresses or sweaters with high necks, and they should avoid wearing heavy make-up. Experience has shown that this is not the time to try out a new hairstyle (for either boys or girls).

Students may change out of their dress clothes after their photos are taken. Therefore students should come to school in their dress clothes.

Proofs will be available within two weeks after photos are taken, and orders may be placed at that time.

All 8th grade students will be photographed, regardless of whether or not they wish to purchase a photo package. These pictures will be used for the graduation class composite that will hang in the hall. Please respect your class and your school by dressing appropriately.

If you have any questions please call the Gurrie office at 482-2720.

Atencion Padres de Gurrie:

Fotos de graduacion se tomaran el viernes 31 de enero, durante la manana. Los muchachos deben usar una camisa con cuello y una corbata para la pose con la capa de graduacion. Muchos muchachos optan por llevar una chaqueta deportiva o una chaqueta de traje para la pose sin la capa. Las muchachas no deben usar vestidos o sueteres con cuello alto, y deben evitar el uso de maquillaje pesado. Nuestra experiencia nos ha demostrado que esto tambien no es el momento de probar un nuevo estilo de pelo (para los muchachos o las muchachas). Fotos se toman de la cintura para arriba, los zapatos y los pantalones de los estudiantes no se mostraran.

Las pruebas estaran disponibles dentro de dos semanas despues de que se toman las fotos, y las ordenes se pueden entregar en ese momento. Los estudiantes podran cambiar de su ropa de vestir a su ropa normal. Por lo tanto, los estudiantes deben venir a la escuela en su ropa devistir.

Todos los estudiantes de 8vo grado seran fotografiados, sin importar si desean o no comprar un paquete de fotos. Estas imagenes se utilizaran para lo foto de clase de graduacion que se colgara en el pasillo. Por favor, respeten su clase y su escuela al vestirse de manera apropiada.

Si tiene alguna pregunta, por favor llame a la oficina de Gurrie al 482-2720.

Introduce a Girl to STEM Day

Presented by Lyons Township GEMS

(Girls in Engineering, Math, and Science)

When: Saturday, February 8th 10am-1:30pm

Where: Lyons Township South Campus

Who: 5th-8th Grade Girls

Cost: \$30/girl

Do you have a daughter that is curious about the endless opportunities in Science, Technology, Engineering, and Mathematics?

Does your daughter strive to make a lasting impact on the world?
Then...

**COME JOIN US TO LEARN WHY STEM GIRLS ARE
COOL!**

SPOTS ARE LIMITED!

Online registration opens December 16, 2019 and closes January 17, 2020 on Lyons Township High School's Web Store, under 'GEMS'

Questions or concerns can be directed to:

COMMITTEE CHAIR: *Evie Anagnos at ana506230@d204.lths.net*

GEMS CLUB SPONSOR: *Loyola Pasiewicz at lpasiewicz@d204.lths.net*

Tentative Schedule for the Day:

- 10:00: CHECK-IN at the SC Performing Arts Center
- 10:10 am: OPENING CEREMONY
- 10:35 am: STEM Session #1 (Choice 1)
- 11:25 am: STEM Session #2 (Choice 2)
- 12:25 pm: Pizza Lunch
- 1:00 pm: Closing Session with Panel *presented by GEMS participants*
- 1:30 PARENT PICK-UP at the SC Performing Arts Center

STEM SESSIONS (Each participant chooses 2)

SCIENCE: (Biology/Chemistry)

Do you like to do cool experiments and be creative? Do you like to learn about the world around you? Girls will have fun doing mini-experiments and learn about the world around them.

TECHNOLOGY: (Computer Hardware, Cipher Encryption)

Girls will explore the fundamentals of computer hardware and breaking encoded cyphers by attempting to solve our technology-themed escape room where each girl holds one piece of the puzzle!

ENGINEERING: (Biomedical, Civil, Electrical, Mechanical, etc.)

What is Engineering?

Do you like to travel? Make lots of money? Be creative? Then let us enlighten you on a worthwhile career!

Girls will face head-to-head in a lighthearted, yet meaningful, challenge (hint: and see who can make it to the top!)

MATH: (Algebra, Statistics)

Participate in various number games, an exciting relay-style competition, and learn some new applications and extensions of math! If you love math, this is the place for you NO MATTER your skill level or ability!
