

School District 105
ONLINE PAYMENT OPTIONS

For this school year, we are once again offering the convenience for parents to pay their student's Registration Fee, Chromebook Bag, Heart Rate Monitor & PE Uniform (Gurrie Only), Band/Orchestra charges, as well as fund their student's (K-8) prepaid lunch account online through our Web Store. The Web Store is available 24 hours a day and can accept debit or credit cards from Discover, MasterCard or VISA. Of course, as before, you can continue to also pay by check or cash.

Web Store online payments are processed on a secure site, powered by RevTrak, one of the largest online payment systems powering hundreds of school districts, local government and non-profits including Lyons Township High School.

You can find more information about District 105's Web Store and RevTrak by navigating to the district web site at www.d105.net and then clicking on the WEB STORE link on the menu options under PARENTS at the top. You will also find on our Web Store page a Web Site Parent Guide that provides step-by-step instructions on how to make a purchase.

To make a Web Store purchase, you will need two login accounts.

PowerSchool Parent Portal Account: Most parents already have a PowerSchool Parent Portal Account to view their student's attendance, lunch balance, fees and grades (Gurrie only for grades) online. For Web Store purchases, you will now need to use the same PowerSchool Parent Portal Account to select the students for whom you will be paying fees and funding prepaid lunch balances. If you have not already set up your PowerSchool Parent Portal Account, the next page has the activation information to set up the Parent Portal account.

RevTrak Payment Account: A RevTrak login account is required to complete a purchase with your debit or credit card. For your security, District 105 does not process any payments or have access to your credit/debit cards. All transactions are securely processed by RevTrak. The first time you complete a purchase in the Web Store, RevTrak will step you through the account creation process.

We encourage you to use the online Web Store and look forward to working with you and your student in the coming school year.

PAYMENTS

All Students, including those attending special education placements outside the district, must register and pay the registration fee.

Registration Fees/Technology Supplies

Half-Day Kindergarten:	\$35.00
Kindergarten through 6 th Grade:	\$75.00
Gurrie Middle School Grades 7-8:	\$100.00
New to District 7 th and 8 th Grade Chromebook Bag:	\$15.00
6 th Grade Chromebook Bag:	\$15.00

Payment Waiver: The District will notify you if you do not automatically qualify for the fee waiver, in which case you can fill out a Free/Reduced State of Illinois Application.

You may also include a combined check to cover the fees for all the students at the SAME school.
