In the Classroom

We are learning about the things that make each of us special in our "All About Me" unit (9/3 to 9/20).

Our first week: we focused on ME!
Name, Age, Height, Color of Eyes and Hair.

Second week: students will be sharing their favorite things:
Food, Color, Toy, Animal, Shape.

Third Week: Students will share all about their family, who is part of their family, what they like to do with their family and share a picture of their family with the class.

Then we will begin our "Apple" unit from 9/23 to 10/4. Students will learn the life cycle of an Apple Tree, make art with apples, graph which apples they prefer green, yellow or red and sing songs about apples.

Please check out our website to see which songs we are singing in class and more information. Thanks!
