January 2014

In the Classroom

This month we will learn how ice and snow forms, the signs of winter, how to dress in the winter, what things we can push and pull, learn which animals we see in the winter and act out what penguins do...dive, swim, pop and slide.

Remember to take advantage of our online resources by visiting our classroom's website.

K, L, M **PM Group ONLY**

Your child will learn how to identify, form, write and make the letter sound for each of these letters this month. The students are in charge of teaching you the sound of the letter, the song they learn for each letter, finding the letter at home and writing it; please make sure they do.
