

# WELLNESS MATTERS

These are difficult times for both students and families as we adapt to the continuous changes arising out of the COVID-19 pandemic.

Please join us for one or both of these virtual presentations to explore the wellness and resiliency of your student, as well as, ways to care for yourself and connect with community resources in these challenging times.

## ENDING THE SILENCE FOR FAMILIES

**Tuesday, May 11 at 7pm**

This 1-hour presentation for adults includes youth warning signs, facts and statistics, how to talk with your child, and how to work with school staff.

## WELLNESS FOR PARENTS

**Wednesday, May 19 at 7pm**

This 1-hour presentation focuses on the challenges parents are facing during these unprecedented times and how to look after their own wellness while parenting.
