**DuPage Immediate Care Clinic in Oak Brook Terrace**

Hours: 8am-10pm 7days week

Walk ins allowed

Lananages offered: English and Arabic

You will need to see their provider for an office visit (\$125). The provider will determine if you need an COVID-19 test (\$250). This office does accept insurance. \*\*\*Rapid tests available.

Accepts children ages two and up

Type of Test offered: PCR and Antigen

<https://www.dupageimmediatecare.com/medical-services/covid-testing/>

### **AMITA**

If you think you've been exposed to COVID-19 or begin to have symptoms, call your primary care doctor's office to discuss over the phone. Your doctor will then determine if you need to be tested for COVID-19.

They will accept insurance, please call the number on the back of your insurance card to find out about coverage for the COVID-19 test. Out of pocket cost is \$125.

Type of Test offered: PCR is available, but must be requested.

Please visit the link below for AMITA COVID-19 testing sites, several locations available.

<https://www.amitahealth.org/covid-19/>

### **UIC**

You must be screened before your test by calling our COVID-19 triage hotline at 773-702-2800 or logging in to your MyChart account to complete a virtual screening. The healthcare provider who is on the triage line or who reviews your virtual screening will determine if you should schedule an appointment to be tested at a curbside testing clinic. You can schedule your curbside testing appointment on the phone or through your MyChart account. You may be tested if you have any symptoms of COVID-19. These include: fever, cough, stuffy nose, difficulty breathing, body aches, new loss of sense of smell or taste, fatigue, headache, sore throat, nausea/vomiting or diarrhea. **Curbside testing is not available without an appointment.** Drive-up swab collection visits typically take several minutes to complete. You will receive information on how to self-isolate and monitor for symptoms after your visit and will get a follow-up phone call with your test results in 1-2 days.

Type of Test offered: PCR

Please use the link below to find a location

<https://www.uchicagomedicine.org/patients-visitors/patient-information/coronavirus-information/coronavirus-patient-education>

**\*\*Please note COVID-19 Testing at Ingalls Memorial (Harvey, Calumet City, Flossmoor and Tinley Park) is only for adults**

### **Edward-Elmhurst**

If your provider is a part of this network, please contact them and request a COVID-19 test.

Once you received an order from you provider you will have to call central scheduling to make an appointment with the lab.

If your provider is not part of this network or you do not have a provider you can visit one of Edward-Elmhurst Immediate Care Centers

Hours: Monday through Friday 8am-8pm, Saturday and Sunday 8am-4pm

Walk ins are allowed

They will accept insurance, please call the number on the back of your insurance card to find out about coverage for the COVID-19 test. Cost of test \$195

Languages offered: English and Spanish. They can always use a translator via phone onsite.

Type of Test offered: PCR

Please use the link to find a location: <https://www.eehealth.org/coronavirus/#cvsection3>
