

TECH TAC TOE

2ND AND 3RD GRADES

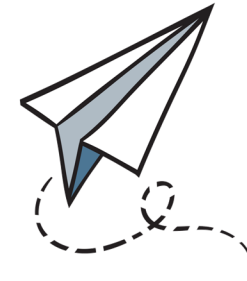

COMPLETE THREE IN A ROW!

Ask family members for their favorite ice cream flavor. Make a graph to show results.

Grab a flashlight and find a dark place to read for 30 minutes.

Fold four different paper airplanes and see which flies the farthest.

If you have seven coins in your pocket, what is the most money you can have? The least? Write your own word problem.

Set the dinner table and put a joke at everyone's table spot.

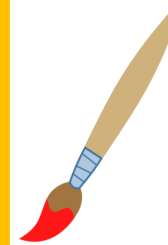

Watch a movie that was inspired by a book. Talk with a family member about the similarities and differences.

Create a bird feeder using a pinecone, peanut butter, and birdseed. Observe the birds who visit.

Make an art collage using found paper scraps from your home. Use glue or tape to piece it together.

Use a paintbrush and water to write math facts on the sidewalk. How long does it take for the numbers to evaporate?
