

TECH TAC TOE

4TH, 5TH, AND 6TH GRADES

COMPLETE THREE IN A ROW!

Write a haiku about the season of spring.

5 syllables
7 syllables
5 syllables

Invent a board game for your family to play. Write the instructions.

Create a menu for a dinner with your favorite book character. What will you serve? Why? Cite text evidence.

Find the perimeter of three rooms in your home.

Build a blanket fort and read inside with a family member.

Design a taste test experiment for your family. Can they identify the foods you offer?

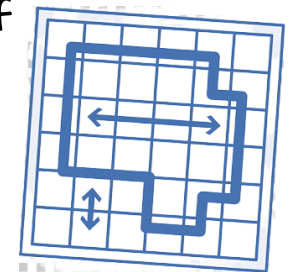

Gather art supplies. What can you make using empty toilet paper rolls?

Plan a three exercise workout. Exercise with a family member.

Draw a blueprint of your room. Use graph paper to make it to scale.
